Solder Board-Component View 5	 A photograph of a green printed circuit board (PCB) component, likely a Wi-Fi module, placed on a blue textured surface. The component is rectangular with rounded corners and features various electronic components, including a large black chip, smaller components, and a silver-colored antenna. A black ruler with white markings is positioned vertically to the left of the component, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The component is positioned between the 10 mm and 40 mm marks on the ruler.
Antenna View	 A photograph of a white, rectangular Wi-Fi module with rounded corners, placed on a blue textured surface. The module has a silver-colored antenna on its top surface. Two red rectangular boxes are drawn on the antenna, labeled "WIFI Antenna 0" and "WIFI Antenna 1". The module has a small label on its front face with the text "Signal", "Ethernet", "Internet", and "AC1200".
