FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

caution : this device is intended used in an uncontrolled environment, please keep at least 20cm away from the device while it works

Warning

Improper use or incorrect storage may reduce the product's life expectancy.

1. Keep away from metal while charging.
2. Fragile product. Do not apply excessive force.
3. Avoid contact with water, fire, and high temperatures, whether in use or in storage.
4. Please do not plug both ports into charging cables at the same time.

Warnung

Unschonmäßige Verwendung oder falsche Lagerung kann die Lebensdauer des Produkts verkürzen.

1. Halten Sie das Produkt beim Laden von Metall fern.
2. Zerbrechliches Produkt. Üben Sie keinen übermäßigen Druck aus.
3. Vermeiden Sie den Kontakt mit Wasser, Feuer und hohen Temperaturen, sowohl bei der Verwendung als auch bei der Lagerung.
4. Stecken Sie bitte nicht beide Anschlüsse gleichzeitig in Ladekabel.

Advertencia

El uso inadecuado o el almacenamiento incorrecto pueden reducir la vida útil del producto.

1. Manténgalo alejado de objetos metálicos mientras se carga.
2. Producto frágil. No aplique fuerza excesiva.
3. Evite el contacto con agua, fuego y altas temperaturas, tanto en uso como en almacenamiento.
4. No conecte ambos puertos a los cables de carga al mismo tiempo.

Ostrzeżenie

Nieprawidłowe użycie lub niewłaściwe przechowywanie mogą skrócić żywotność produktu.

1. Trzymaj z dala od metalu podczas ładowania.
2. Produkt kruchy. Nie stosuj nadmiernej siły.
3. Unikaj kontaktu z wodą, ogniem i wysokimi temperaturami, zarówno podczas użytkowania, jak i przechowywania.
4. Nie podłączaj obu portów do kabli ładujących jednocześnie.

Varning

Felaktig användning eller felaktig förvaring kan minska produktens livslängd.

1. Håll undan från metall under laddning.
2. Skört produkt. Använd inte överdriven kraft.
3. Undvik kontakt med vatten, eld och höga temperaturer, både under användning och förvaring.
4. Anslut inte båda portarna till laddkablar samtidigt.

Avertissement

Une utilisation inappropriée ou un mauvais stockage peut réduire la durée de vie du produit.

1. Gardez-le à l'écart des objets métalliques pendant la charge.
2. Produit fragile. Ne pas appliquer de force excessive.
3. Évitez tout contact avec l'eau, le feu et les températures élevées, que ce soit en utilisation ou en stockage.
4. Veuillez ne pas brancher les deux ports aux câbles de charge en même temps.

Avvertenza

L'uso improprio o la conservazione scorretta possono ridurre la durata del prodotto.

1. Tenere lontano da oggetti metallici durante la ricarica.
2. Prodotto fragile. Non applicare una forza eccessiva.
3. Evitare il contatto con acqua, fuoco e alte temperature, sia durante l'uso che durante la conservazione.
4. Non collegare entrambe le porte ai cavi di ricarica contemporaneamente.

Waarschuwing

Onjuist gebruik of onjuiste opslag kan de levensduur van het product verkorten.

1. Houd het product tijdens het opladen uit de buurt van metalen voorwerpen.
2. Breekbaar product. Gebruik geen overmatige kracht.
3. Vermijd contact met water, vuur en hoge temperaturen, zowel tijdens gebruik als opslag.
4. Sluit de twee poorten niet tegelijkertijd aan op de oplaadkabels.
