

Quick Start Guide

Included In-Box:

- Device
- Power Adapter

Set Up Your Device:

1. HAVE YOUR WI-FI AND PASSWORDS READY

During setup, you will connect to the internet and sign into your account.

2. PLUG YOUR DEVICE INTO A POWER OUTLET

Use the included power adapter. In about a minute, the display will turn on.

3. SCAN THE QR CODE

Scan the QR code and follow the instructions on the screen

4. COMPLETE SETUP IN THE APP

Log in with an existing account username and password or create a new account. Follow the instructions in the app to complete setup.

Note: If you aren't prompted to set up your device after opening the app, tap More to add your device manually
