PRODUCT NAME: SMART WATCH
MODEL: 2303008W
COLOR: CLASSIC BLACK
INPUT: 5V=0.2A
MONTH AND YEAR OF MANUFACTURE: MARCH-2023
RECHARGEABLE LI-ION POLYMER BATTERY: 0.30Ah/3.7V

FCC Warning

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Description of Appearance

Note: Please consult the product material in detail before purchase to avoid allergies to the material. Due to individual differences, if you encounter skin discomfort when wearing it, please stop wearing it and consult a doctor.

Download the APP and bind the watch

Note: The mobile phone system must support Android 5.0 or iOS 9.0 and above, and Bluetooth 4.0 and above.

- (1) Download the APP
Scan the QR code and download the FY Watch application.

- (2) Connect smart watch with FY Watch APP
After turning on the watch, please complete the pairing of the device and the phone through the FY Watch APP before it can be used normally.

APP Binding Steps:

BLUETOOTH CALLING FUNCTION

This watch comes with a special feature of Bluetooth calling. The user can make calls without having to open the phone. You can also view the call history of the watch. You need to keep the connection between the watch and the phone stable when using the Phone Call function. Follow the steps to activate the calling function and much more.

Part A - How to connect

- Step 1:
After connecting the watch to the FY Watch App, you need to go to the Bluetooth settings of the phone and pair the watch there as shown below.
- When the call option is turned on, the sound of the phone will be on the watch. If you don't want the sound of the phone to be on the watch, please turn off this option.
- Turn on this option and the watch battery life will be shorter. When you don't use the call or watch to sing, try to turn off this option;

For iOS

For Android

Step 2: BT Calling Function

- After successfully connecting the Bluetooth you will get this screen.
- Upon clicking on the recent call you can see the recent calls of your device.
- When you click on the dial pad you shall get this screen on your watch.
- Once you dial the number the call button on the right corner shall appear.
- You click the dial button, you can see that the number is dialing.

Watch Wearing and Charging

It is recommended to wear the watch with a moderate tightness at a distance two fingers far from your wrist to ensure that heart rate monitor works properly.

Charging

1. Plug the charger's USB port into a mobile phone charger or a computer USB port to charge the watch.
2. Attach the charging pin to charge the smart watch.
