7. Dispute Resolution; Binding Individual Arbitration; Class Action Waiver.

(A) Our consumer services department is available to address any concerns you may have regarding the Gaming Gun. You may contact them by email at service@rinfire.com. Most matters are quickly resolved in this manner to our customer's satisfaction. Any matter we are unable to resolve and all disputes or claims arising out of or relating to this Agreement, including its formation, enforceability, performance, or breach (each, a "Claim"), with the exception of the matters described in section 7(C) below, shall be finally settled by binding arbitration administered by the American Arbitration Association in accordance with the provisions of its

Commercial Arbitration Rules and the supplementary procedures for consumer-related disputes of the American Arbitration Association (the "AAA"), excluding any rules or procedures governing or permitting class actions. The arbitrator, and not any federal, state, or local court or agency, shall have exclusive authority to resolve all Claims. The arbitrator shall be empowered to grant whatever relief would be available in a court under law or in equity. The arbitrator's award shall be binding on the parties and may be entered as a judgment in any court of competent jurisdiction. The parties understand that, absent this mandatory provision, they would have the right to sue in court and have a jury trial. They further understand that, in some instances, the costs of arbitration could exceed the costs of litigation and the right to discovery may be more limited in arbitration than in court. Any such arbitration shall be conducted by the parties in their individual capacities only and not as a class action or other representative action, and the parties waive their right to file a class action or seek relief on a class basis. If any court or arbitrator determines that the class-action waiver set forth in the preceding sentence is void or unenforceable for any reason or that an arbitration can proceed on a class basis, then the arbitration provision set forth in this Section 7 shall be deemed null and void in its entirety and the parties shall be deemed to have not agreed to arbitrate Claims.

(B) www.adr.org or by calling the AAA at +1-800-778-7879. To the extent the initial filing fee for the arbitration exceeds the initial filing fee for a lawsuit, we will pay the difference in fees. If the arbitrator finds the arbitration to be non-frivolous, we will pay all of the actual filing and arbitrator fees for the arbitration, provided your claim is less than \$75,000. The arbitration rules also permit you to recover attorney's fees in certain cases.

(C) Section 7(A) does not apply to any Claim (i) in which a party is attempting to protect its intellectual property rights (such as its patent, copyright, trademark, trade secret, or moral rights, but not including its privacy or publicity rights), or (ii) that may be brought in small-claims court.

8. Enforcement.

If any part of this Agreement is held to be invalid or unenforceable, that part will no longer apply to the parties but all other parts of the Agreement will remain in effect unless otherwise provided in this Agreement. If we do not enforce any provision of this Agreement, that will not be considered a waiver of our rights. Any waiver of this Agreement must be obtained in a written document signed by an authorized representative of RinFire.

9. Governing Law/Venue.

This Section 9 shall apply in the event that a dispute or Claim is not governed by Section 7:

(A) If you reside in the United States or a country other than Canada, this Agreement and any disputes arising in connection therewith shall be subject to and governed by, construed and interpreted in accordance with the laws of the State of Washington, U.S.A., except for its conflict of law rules, and the parties consent to the exclusive jurisdiction of the courts located in King County, Washington, U.S.A.

(B) If you reside in Canada, this Agreement and any disputes arising in connection therewith shall be subject to and governed by, construed and interpreted in accordance with the laws of the Province of British Columbia, Canada, except for its conflict of law rules, and the parties consent to the exclusive jurisdiction of the courts located in British Columbia, B.C., Canada.
