

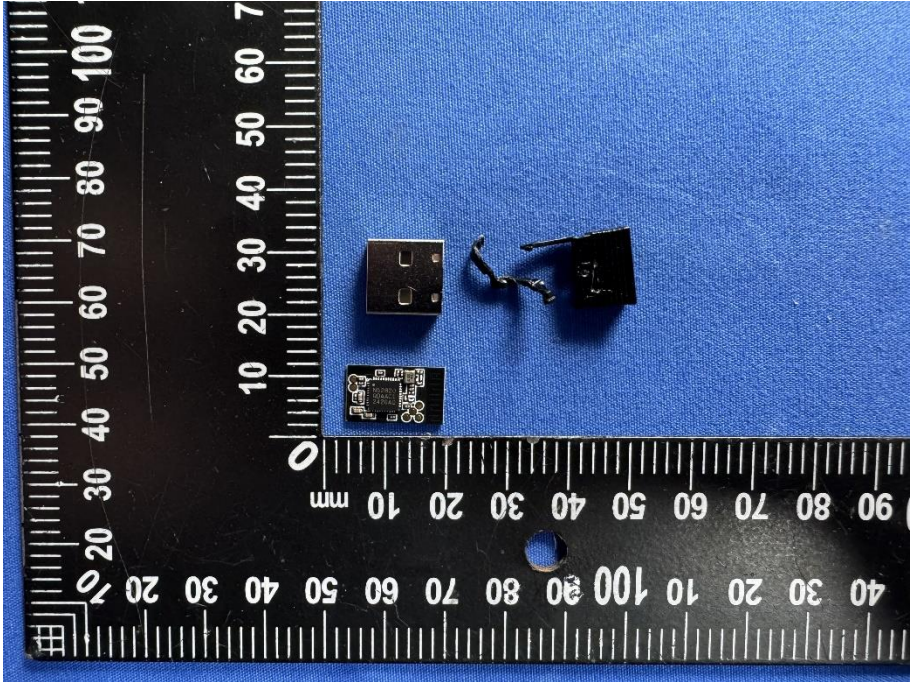

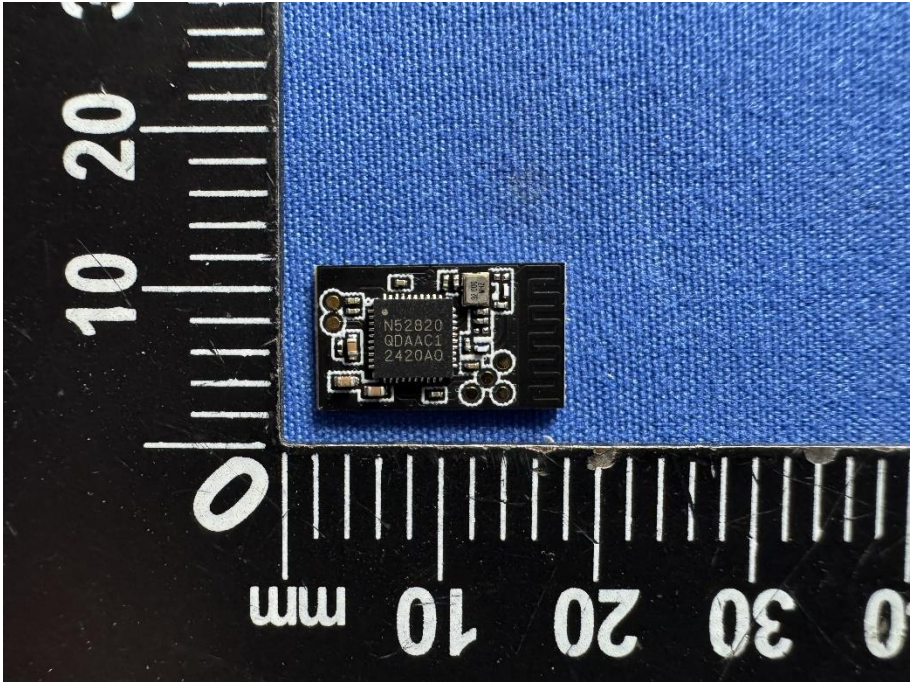

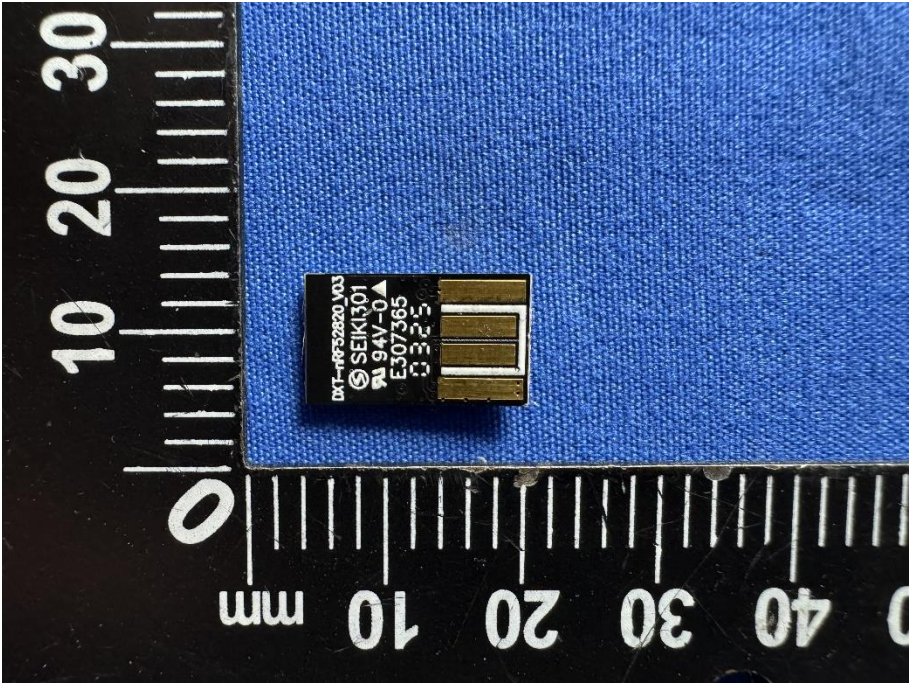

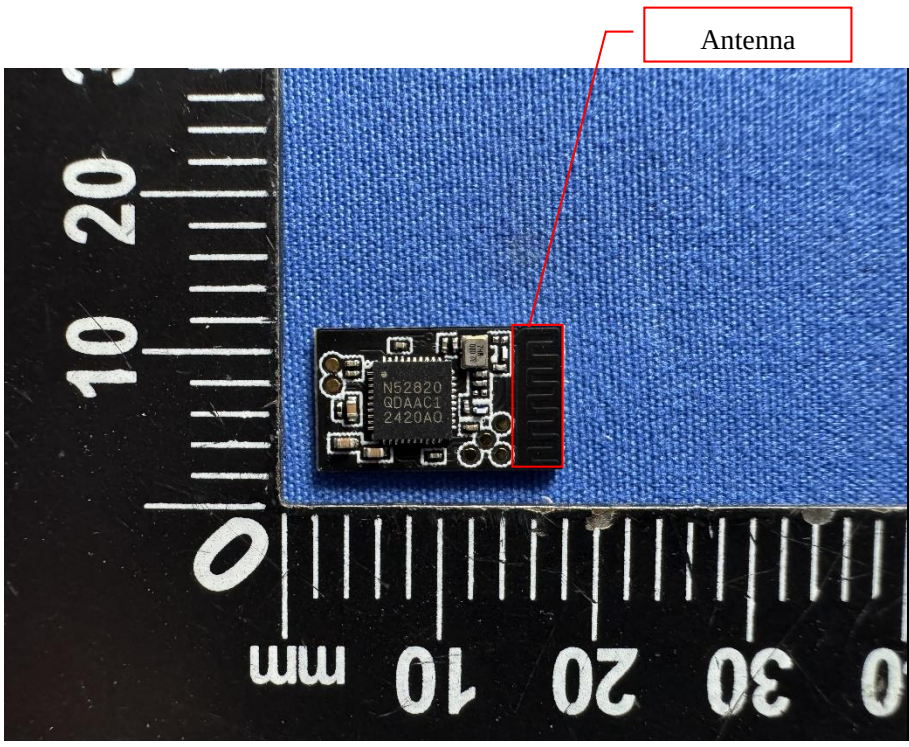

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing three electronic components on a blue textured surface. A black ruler with white markings is placed horizontally below the components. The ruler has markings in millimeters (0 to 100) and centimeters (0 to 10). The components include a small black square component, a small black square component with a wire, and a small black square component with a wire. The components are positioned near the 10 cm mark on the ruler.
Solder Board-Component View 1	 A close-up photograph of a small black square component with a wire, positioned on a blue textured surface. A black ruler with white markings is placed horizontally below the component. The ruler has markings in millimeters (0 to 10) and centimeters (0 to 10). The component is positioned near the 10 mm mark on the ruler. The component has the text "N52820 QDAAC1 2420A0" printed on it.

Solder Board-Component View 2	 A photograph showing the solder side of a board component. A small, rectangular component is visible, with a ruler for scale. The component has markings: "DXT-WF52820 V03", "SEIKI301", "94V-0", "E307365", and "0325".
Antenna View	 A photograph showing the antenna side of the board component. A ruler is visible for scale. The component has markings: "N52820", "QDAAC1", and "2420A0". A red box highlights the antenna area, and a red line points to it from a label "Antenna".
