ENGLISH

To get started with your watch you need to pair it with your phone.

1. Download the app from Google Play or App store.

Scan the code with your phone

2. Open the app. Press and hold the crown on the watch to start pairing process.

Do not try to connect your watch via Bluetooth in the phone settings.

ENGLISH

Manual

More information about the product is available in the Festina Connected app and on the product webpage.

Charging

To charge the watch, place the watch in the charging dock as shown in the illustration. You will receive a notification in your watch when it's time to charge the watch. The watch has a battery life of up to 10 days.

Important information

Do not disassemble the watch, there are no serviceable parts inside the watch. Do not allow small children to play with the device as small parts may come loose and pose a choking hazard. Do not use this transmitting device near sensitive medical equipment without requesting permission. If you have electronic medical implants, do not use this device without consulting medical expertise first.

This product is not a medical device and should not be used to diagnose or treat medical conditions. All content provided herein is for information purposes only and is not intended to be a substitute for professional medical advice. Always seek the advice of your physician or other qualified health care provider before starting a new exercise program or diet and never disregard professional medical advice or delay in seeking it because of something you have read on any of our apps or material.

This product is licensed under patents owned by CSEM Switzerland.

Batteries, WARNING

This watch uses a lithium-ion rechargeable battery. Do not remove or replace the battery. Risk of fire and burns. Do not disassemble, heat above 55°C or incinerate. Keep battery out of reach of children. Never put batteries in mouth. Swallowing may lead to serious injury or death. If ingested, immediately seek medical attention.

Radio frequency exposure

Your Festina Connected device is equipped with a radio transmitter and receiver of Bluetooth™ Low Energy type, operating in the frequency range 2400 to 2500 MHz. Its radiated output power is far below exposure limits set by national authorities such as the FCC, IC, European Council and international health agencies.

Waste Electrical and Electronic Equipment, WEEE

Directive 2012/19/EU

 This product must not be disposed of with household waste but through an authorised WEEE collection point. The symbol on the product or its packaging indicates that this product must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The separate collection and recycling of your waste equipment at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For more information about where you can drop off your waste for recycling, please contact your local authority, or where you purchased your product.

Disposal of Batteries and Accumulators

Directive 2006/66/EC

When batteries are changed, they must be removed and taken to an approved collection facility. Separable batteries must be removed prior to the disposal of the product and disposed of separately

CE EC Declaration of Conformity

We, FESTINA LOTUS SA, of C/Velázquez nº 150, 3º 1ª 28002 Madrid (Spain) declare under our sole responsibility that our product Festina Connected watch of model MOVT FKS934 is in conformity to the essential requirements and other relevant requirements of the RE Directive 2014/53/EU: EN 62479:2010, EN 50663:2017, EN 62368-1:2014+A11:2017, EN 55032:2015+A1:2020, EN IEC 61000-3-2:2019+A1:2021, EN 61000-3-3:2013+A1:2019, EN 55035:2017+A11:2020, ETSI EN 301 489-1 V2.2.3:2019, ETSI EN 301 489-17 V3.2.4:2020, ETSI EN 300 328 V2.2.2:2019. RoHS Directive 2011/65/EU Annex II and its amendment (EU) 2015/863. REACH Regulation (EC) No.1907/2006.

Barcelona, August 2023

FCC Declaration of Conformity

FCC ID: 2A8P6-FKS934

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

*** RF warning for Portable device:**

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Industry Canada statement
