

A white wireless game controller with black buttons and a central logo. The controller has a symmetrical design with two large black buttons on the left and right sides, each featuring a directional pad and a central button. In the center, there are three small black buttons stacked vertically, and a larger black button with a logo below them. A small, rectangular, light-colored label is affixed to the front of the controller, containing FCC ID and compliance information.

FCC ID: 2A8PMHYPFFC4612T

The device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference.
- (2) this device must accept any interference received,
including interference that may cause undesired operation.
