| <p><b>EUT View 1</b></p> |  A photograph showing the EUT device, a power adapter, and two power cables. The EUT device is white with a black top section containing a screen and the 'omi' logo. Below the screen are four circular ports. To the right of the device is a black power adapter and two black power cables. A ruler is placed horizontally below the items for scale. The background is blue. |
| <p><b>EUT View 2</b></p> |  A photograph showing the EUT device next to a ruler. The device is white with a black top section containing a screen and the 'omi' logo. Below the screen are four circular ports. A ruler is placed horizontally below the device for scale. The background is blue.                                                                                                          |

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 3</p> |  A photograph of a blue rectangular electronic unit (EUT) from a top-down perspective. The unit is positioned next to a metal ruler for scale. The ruler shows centimeters from 1 to 33. The unit has a white border and several small holes along its edges. The background is a blue textured surface.                                                                             |
| <p>EUT View 4</p> |  A photograph of a white electronic unit (EUT) from a front perspective. The unit has a black top section with the 'omi' logo. Below the logo are four clear, cylindrical lenses arranged in two pairs. The unit has a white body with a blue base. A metal ruler is placed below the unit for scale, showing centimeters from 16 to 36. The background is a blue textured surface. |
