SUZHOU SAFE WAY TRADE CO.,LTD
MADE IN CHINA

Established in Suzhou, SAVWAY is an enterprise of hardware manufacturing and trading. With its vision of "IT'S SUZHOU, IT'S WORLD", SAVWAY has been operating business in safes, hardware tools, and the prevailing mechanical assembly crafts. Currently, products from SAVWAY are sold globally.

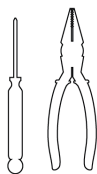

SAVWAY profoundly displays the wisdom of manual operation on metal products through customization. This strategy creates a new type of craft that combines aesthetics with practicality. The products also have significance in both education and family bonding, thus bringing refreshing experiences and sense of achievement to customers.

Thank you for choosing our products from SAVWAY. For more details, please follow below our Wechat official account, or by sending mails to us: sales04@safewaylife.com

WARNING 8+

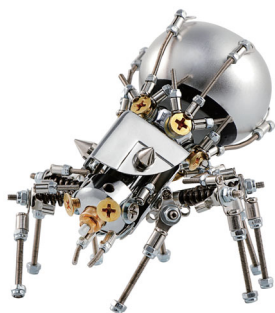

This toy contains sharp metal parts; the children of 8 and under 8 years old are not suitable. Do not put small parts into the mouth to avoid choking due to ingestion by mistake.
