

Figure 4-1

Select File transfer, and then you can transfer files between the device and the computer.

Figure 4-2

## 5. Troubleshooting

### 5.1. Slow initial boot for tablet

After system upgrade of tablet, initial boot needs installation of the pre-installed software applications, and for about 2-3 minutes, it runs faster.

### 5.2. Tablet can not connect to WIFI

Ensure that the wireless router providing the network services works properly.

Ensure the tablet and the wireless router are kept with certain distance, and between which no wall or other obstacles exist.

Ensure the user name and the password are correct

### 5.3. Feeling hot of tablet

When multiple applications are running at the same time, or the screen is adjusted to the brightest, or it is recharging, this situation is normal.

### 5.4. System is disordered and does not work properly

Installation of some third-party applications may lead to system failure, and you can press the reset button to reset the system.

### 5.5. Unable to create e-mail or regist applications

Ensure your network is properly connected to the Internet.

Ensure your email settings are correct.

Ensure your system time and the local time are consistent.

#### FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer or an experienced radio/TV technician for help
- This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

#### FCC/IC RF Radiation Exposure and SAR Statements

The Laptop Acer Iconia Tab IM10-22 has been tested for body-worn Specific Absorption Rate(SAR) compliance. The FCC/IC has established detailed SAR requirements and has established that these requirements. RF Exposure Information The radio module has been evaluated under FCC Bulletin C95.1 and IEEE 1528 and found to be compliant

to RF Exposure from radio frequency devices. This model meets the applicable government requirements for exposure to radio frequency waves. The highest reported SAR level for usage near the body (0mm) is 0.706 W/kg, Body Simultaneous Transmission is 1.053W/kg at the same time. The highest reported SAR level for usage near the Hotspot(0mm) is 0.758 W/kg, Hotspot Simultaneous Transmission is 1.038W/kg at the same time.

- WARNING: Only use attachments/accessories specified or provided by the manufacturer (such as the exclusive supply adapter, battery etc).
- CAUTION for service personnel: Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent type.
- WARNING: Attention should be drawn to environmental aspects of battery disposal.
- WARNING: The batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.
- WARNING: The batteries (battery pack or batteries installed) are not intended to be replaced by the USER.
- Battery disposal information. The battery used with this product contains chemicals that are harmful to the environment.
- To preserve our environment, dispose of the battery according to your local laws and regulations. Do not dispose of the battery with normal household waste.
