standard edition

EUT View 1	 A photograph showing the front view of a black, rectangular electronic device, likely a rugged tablet or smartphone. The device has a large, dark screen. It is placed on a light blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, and another ruler is positioned horizontally below the device. The vertical ruler shows markings from 0 to 100 mm, and the horizontal ruler shows markings from 0 to 100 mm. The device is approximately 100 mm wide and 150 mm high.
EUT View 2	 A photograph showing the back view of the same black, rectangular electronic device. The back of the device features a camera lens, a flash, and a small display or sensor area. It is placed on the same light blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, and another ruler is positioned horizontally below the device. The vertical ruler shows markings from 0 to 100 mm, and the horizontal ruler shows markings from 0 to 100 mm. The device is approximately 100 mm wide and 150 mm high.

EUT View 3	 A photograph showing the bottom view of a black electronic device, likely a smartphone or tablet, resting on a blue textured surface. A black ruler with white markings is placed horizontally below the device. The device features a large rectangular opening at the bottom, a small circular port on the left, and a small rectangular port on the right. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A photograph showing the bottom view of the same black electronic device, resting on a blue textured surface. A black ruler with white markings is placed horizontally below the device. The device features a large rectangular opening at the bottom, a small circular port on the left, and a small rectangular port on the right. The ruler shows measurements in millimeters and centimeters.
