

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph showing a small electronic component, likely a Wi-Fi module, mounted on a blue textured surface. A black ruler with white markings is placed vertically to the left of the component, showing measurements from 0 to 40 mm. The component is a small blue PCB with a central chip and various solder points. The text 'SL 2311' and 'LL8720-P-V3' is visible on the component.
Antenna View	 A photograph showing the same electronic component from a different angle, highlighting the antenna. A red box labeled 'WIFI Antenna' points to the antenna structure on the right side of the component. The component is a small blue PCB with a central chip and various solder points. The text 'SL 2311' and 'LL8720-P-V3' is visible on the component. A white label on the component contains the following information: Model: LL8720-P, Ver V60001, SN YQ230325001956.
