| <p>EUT View 3</p> |  A photograph showing the back of a white portable CD player. The device is rectangular with rounded corners and black corner protectors. A circular speaker grille is centered on the back panel. A small black label with white text is located near the top center, providing technical specifications. The device is placed on a blue surface next to a black ruler with white markings for scale.                                                                      |
| <p>EUT View 4</p> |  A photograph showing the front of the same white portable CD player. The top section features a clear disc tray. Below it is a control panel with several buttons: 'TIME', 'MEMORY', 'EJECT', 'STOP', 'PLAY/PAUSE', 'SKIP', 'SCAN', 'NEXT', 'EQ', 'VOL-', and 'VOL+'. A small LCD display is positioned below the buttons. The text 'CD PLAYER' is printed above the display. The device is placed on a blue surface next to a black ruler with white markings for scale. |
