

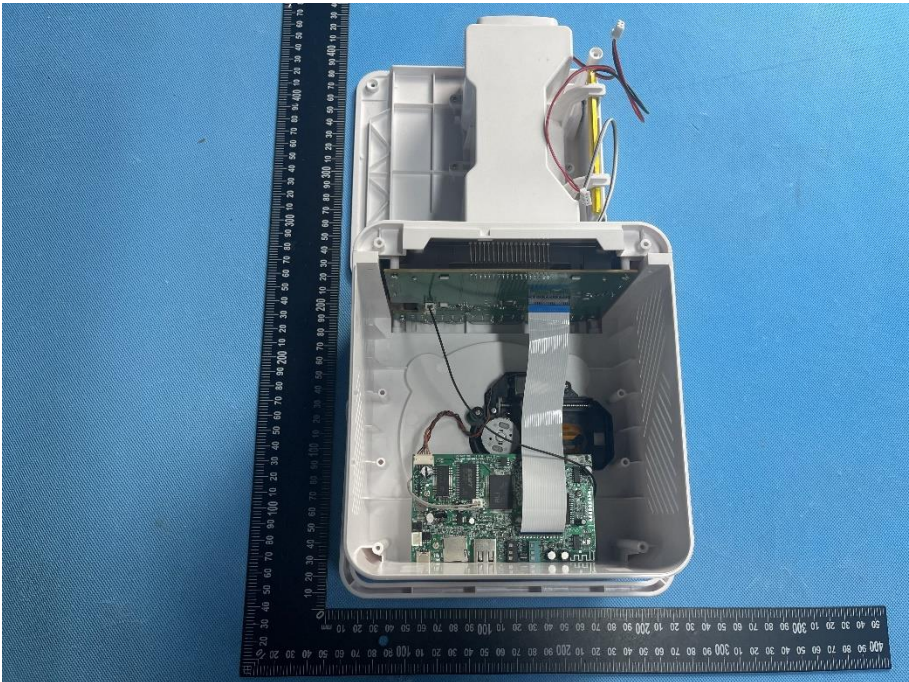

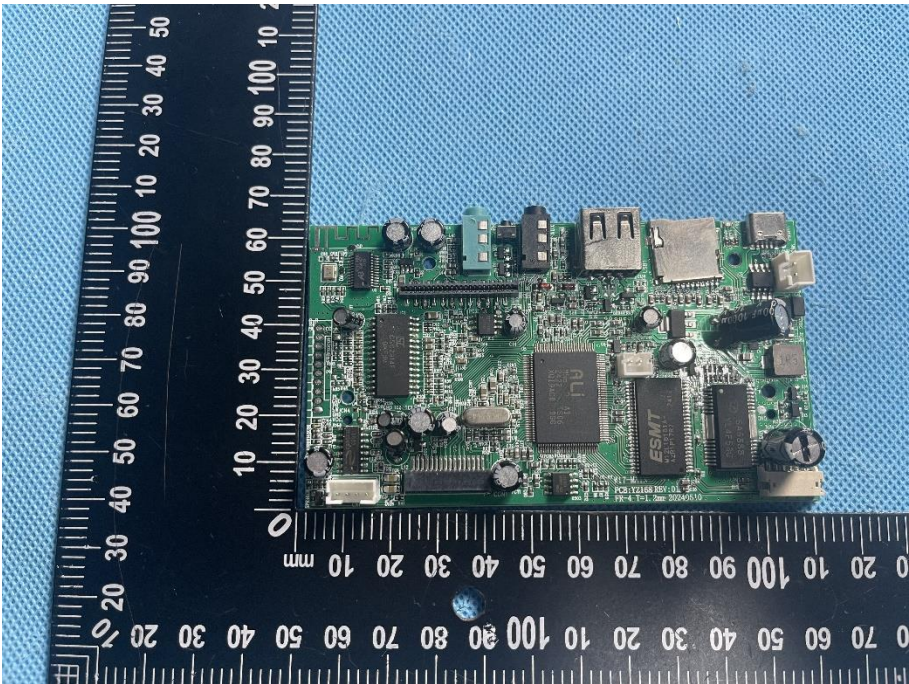

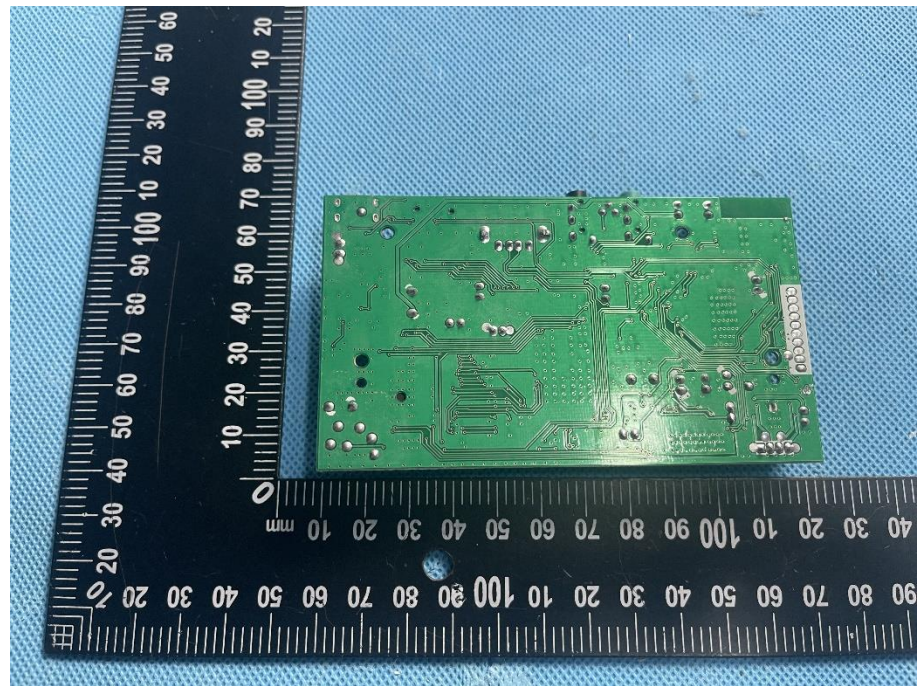

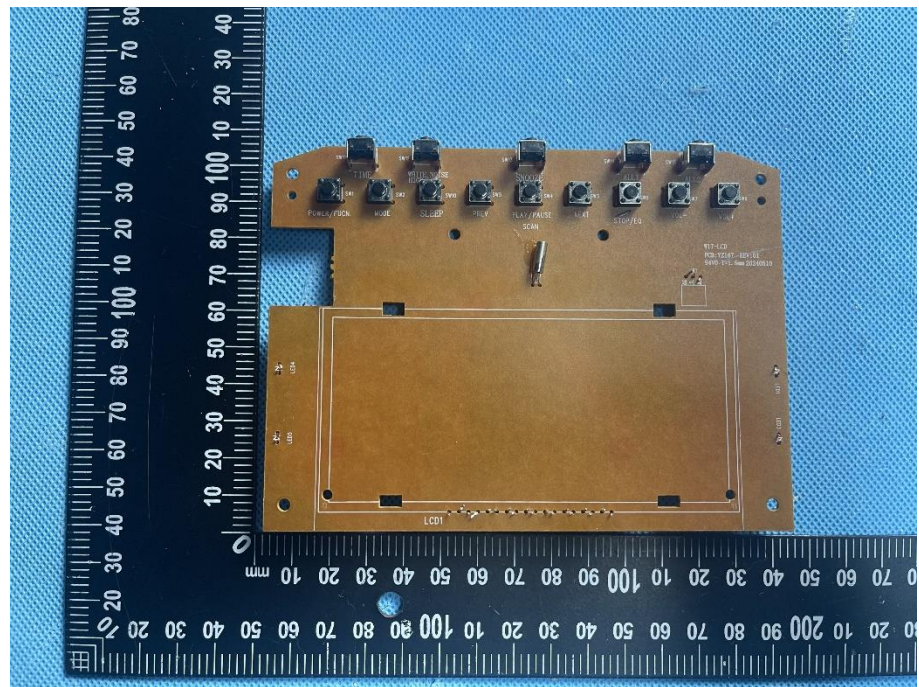

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of a white plastic EUT housing. A green printed circuit board (PCB) is visible, populated with various electronic components including a microcontroller, capacitors, and connectors. A black ribbon cable is connected to the board. A black ruler is placed vertically to the left of the housing for scale, showing measurements in millimeters and centimeters.
Solder Board-Component View 1	 A close-up photograph of the green PCB components, focusing on the solder joints and surface components. A black ruler is placed horizontally below the board for scale, showing measurements in millimeters. The board features several integrated circuits, capacitors, and other electronic components.
