

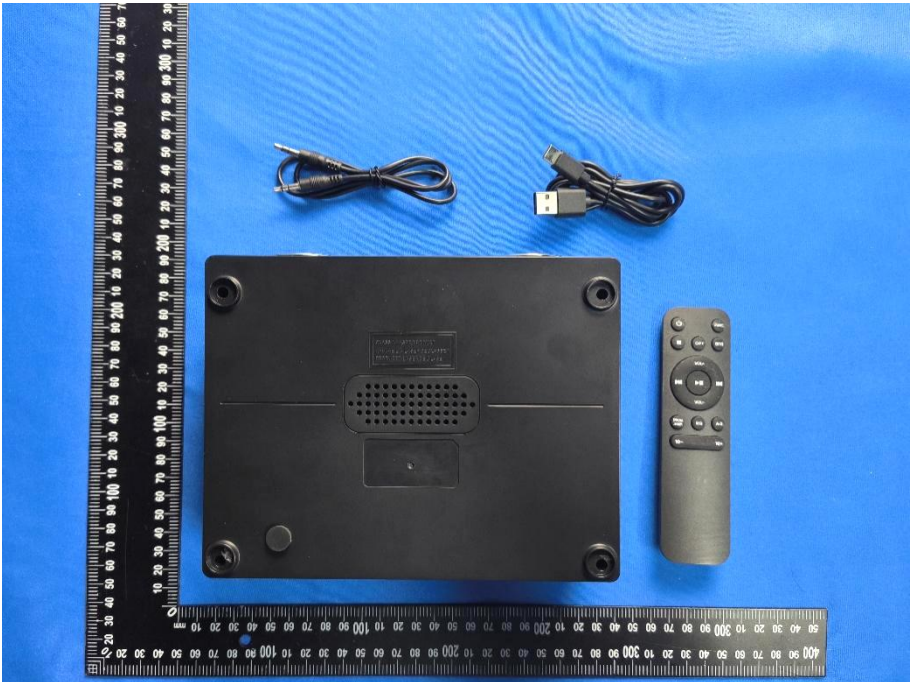

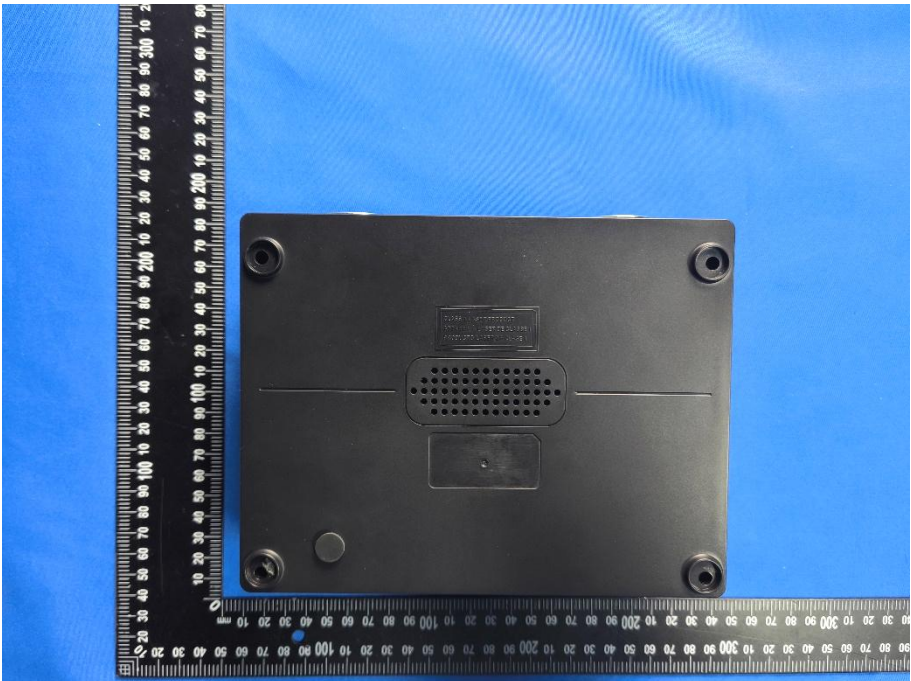

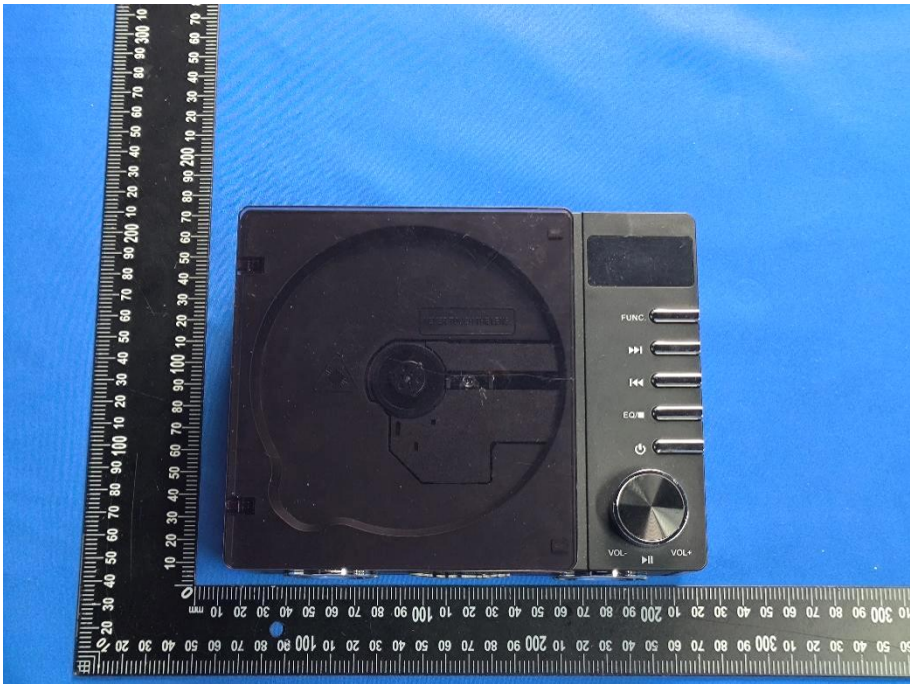

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the back of a black rectangular electronic device. The device has four mounting feet at the corners, a central speaker grille, and a small rectangular label. Above the device are two black cables: one with a standard audio jack and another with a USB-A connector. To the right of the device is a black remote control with a circular navigation pad and several function buttons. A large L-shaped ruler with millimeter and centimeter markings is placed around the device for scale. The background is a solid blue surface.
EUT View 2	 A photograph showing a close-up of the back of the same black rectangular device. It highlights the four mounting feet, the central speaker grille, and the small label. The L-shaped ruler is visible at the bottom and left sides of the device. The background is a solid blue surface.

EUT View 7	 A black rectangular electronic unit is shown against a blue background. A metal L-shaped ruler is placed next to it for scale. The unit has a small connector on the top left and several ports on the top right.
EUT View 8	 A close-up view of the rear panel of the black electronic unit. It features several ports and indicators: an optical port labeled 'OPTICAL', a green LED indicator, a 'RESET' button, an 'AUX' port, a 'USB' port, a 'GTF' port, and a 'DC 5V' port.
