EUT View 1	
EUT View 2	

EUT View 3	 A side view of a black electronic device, possibly a mobile phone or a small tablet, lying flat on a blue textured surface. The device is oriented vertically. To its left is a black ruler with white markings, showing measurements in centimeters (0 to 100) and millimeters (0 to 10). The device's width is approximately 10 cm. On the side of the device, there is a circular port with multiple small holes, and some yellow diagonal markings are visible.
EUT View 4	 A top-down view of the same black electronic device, showing its rectangular shape. It is placed on the same blue textured surface next to the same black ruler. The device's length is approximately 10 cm. Two circular buttons or sensors are visible on the top surface of the device.

EUT View 5	 A side view of a black electronic device, possibly a power generator, placed next to a ruler. The device has a small antenna on top and a label that reads "POWER GENERATOR". The ruler shows measurements in centimeters and millimeters.
EUT View 6	 A front view of the same black electronic device, showing a screen and a speaker grille. The device is placed next to a ruler for scale. The ruler shows measurements in centimeters and millimeters.

EUT View 7	 A close-up photograph of the top edge of a black, rugged electronic device. From left to right, it features a large black cylindrical component, three circular buttons, a small circular port, a USB port, and a multi-pin connector. The device is set against a blue textured background.
EUT View 8	 A full-body photograph of the black electronic device with its silver telescopic antenna extended upwards. The device has a rectangular shape with a large screen area in the center. It is positioned on a blue textured surface.
