EUT View 3	 A black handheld electronic device, likely a rugged PDA or GPS unit, is shown from a top-down perspective. It features a rectangular screen with a grid pattern, several buttons on the left side, and a small antenna on the right. The device is placed on a light blue textured surface next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters, with the device's width spanning approximately 10 cm.
EUT View 4	 A black handheld electronic device, similar to the one in View 3, is shown from a different angle, possibly the front or side. It features a large speaker grille with the 'radio' logo, several buttons, and a small antenna. The device is placed on a light blue textured surface next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters, with the device's width spanning approximately 10 cm.
