

LABEL AND LOCATION

FCC ID: 2A9HV-AUT217

FCC Warning**FCC ID:2A9HV-AUT217**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

The image shows a flat-lay template for a THORA wireless earphone box. The front panel (left) features the THORA logo at the top, followed by the product name 'AUDÍFONOS INALÁMBRICOS' and the battery life '6.2H con Una Carga | 28H con Estuche de Carga'. Below this is an image of the white earbuds in their charging case. The back panel (right) has a top flap with two punch holes. Below this, it lists 'AUDÍFONOS INALÁMBRICOS' and shows four icons: 'Puerto de Carga Charging Port', 'Cable Inductivo Cable Inducted', 'Toque Inteligente Smart Touch', and 'Asistente de Voz Voice Assistant'. A 'FICHA TÉCNICA: TECHNICAL SPECIFICATIONS:' section follows, with two columns of data for models AUT217 and AUT217. The bottom of the back panel includes 'DISEÑADO POR THORA, HECHO EN CHINA', 'IMPORTADOR: CERSAR IMPORTACIONES, S.A. DE C.V.', 'DIRECCIÓN: TORRE ADALD #18 PISO 2 OFICINA 2, COL. DEL VALLE, ALC. BENTU JUAREZ, C.P. 03100, CIUDAD DE MEXICO, MEXICO.', 'RFC: CM16003116M3', a barcode with number 6974368778205, 'AUT217 BLANCO WHITE 白色', 'HECHO EN CHINA', and the website 'www.1hora.mx'. The side panels (center) show the THORA logo. A red arrow points to the bottom of the box template.
