ATTN.: Reviewing Engineer

FCC ID: 2A9I2-6WW980
IC: 32117-6WW980
FVINs/Models: 6WW9-80, 9AWL-80, 9AWL-28, 9KY0-10
HVIN: 6WW9-80

We (ZHEJIANG CFMOTO POWER CO.,LTD.) hereby state that all the models are electrical identical including the same hardware design (i.e., circuit design, PCB Layout, RF module/circuit, antenna type(s) and antenna location, components on PCB, etc.), same mechanical structure, the difference are model name, UI interface design and software function. These differences will not affect the radio frequency performance.

The specific differences in software functions and UI interfaces are as follows:

	6WW9-80	9AWL-80	9AWL-28	9KY0-10
speed of a motor vehicle	The CAN matrix definitions are different, and the display ranges are also different.			
revolving speed	The CAN matrix definitions are different, and the display ranges are also different.			
Coolant water temperature	The CAN matrix definitions are different.			
oil mass	Different oil quantity strategies			
gear indicator display	The CAN matrix definitions are different.			
alternative information	Different input signals			
total distance	The CAN matrix definitions are different.			
Short distance	The CAN matrix definitions are different.			
battery voltage	Has this function	No	No	No
endurance mileage	Has this function	No	No	No
average fuel consumption	Has this function	No	No	No

ZHEJIANG CFMOTO POWER CO.,LTD.

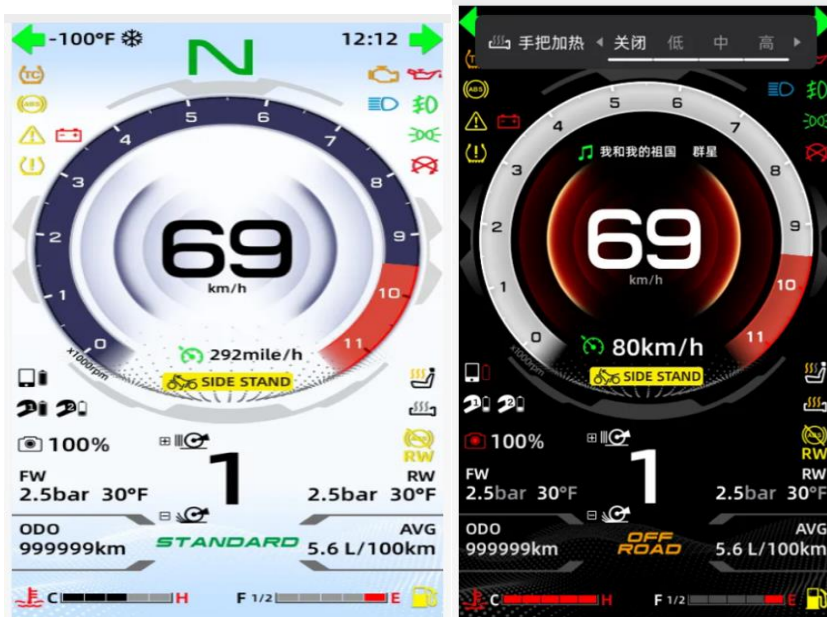

average velocity speed	Has this function	No	No	No
Driving time	Has this function	No	No	No
instantaneous fuel consumption	Has this function	No	No	No
time display	The CAN matrix definitions are different.			
driving pattern	The CAN matrix definitions are different.			
Tire pressure and tire temperature	Has this function	No	No	No
Startup and Upgrade	Has this function	No	No	No
CAN Communication	The CAN matrix definitions are different.			
Operation of the handle switch	The same			
boot animation	The animations are different.			
Side support reminder	Has this function	No	No	No
High and low pressure detection	Has this function	No	No	No
units setup	Has this function	No	No	No
language settings	The CAN matrix definitions are different, and the supported languages are also different.			
Menu - Fault Information	The content displayed in the error pop-up window varies.			
Error pop-up window	The content displayed in the error pop-up window varies.			
Maintenance Information - Remaining Maintenance Mileage	Has this function	No	No	No
Viewing of software and hardware versions	The same			
factory data reset	The same			
Vehicle speed adjustment, total mileage reset	The vehicle speed adjustment parameters vary.			
Handle heating	Has this function	No	No	No
Seat cushion heating	Has this function	No	No	No
Motion camera control	Has this function	No	No	No
cruise control	Has this function	No	No	No
Quick gear shifting	Has this function	No	No	No

ZHEJIANG CFMOTO POWER CO.,LTD.

TC function (Traction Control System)	Has this function	No	No	No
Anti-lock Braking System	Has this function	No	No	No
Theme Style	The operation interface is different.			
Upgrading prompt	Has this function	No	No	No
Handle switch with FN key	Has this function	No	No	No
screen control	Has this function	No	No	No
device attachment function	The same			
Mobile phone battery level (Helmet 1 battery level) (Helmet 2 battery level)	The logic for displaying the battery level is different, and the format is also different.			
call caller id	The same			
Telephone function	The same			
address book	The same			
call records	The same			
Music function	The same			
Pushing the QR code of the startup APP	Has this function	No	No	No
The installed app	The same			
Interconnection and interaction function	The same			
OTA function	The same			
Mobile Internet Page	The same			
The interface of the display screen	The functions are the same, but the layout of the display operation interface is different.			
Indicator light function	There are differences in the indicator lights.			
brilliance control	The same			

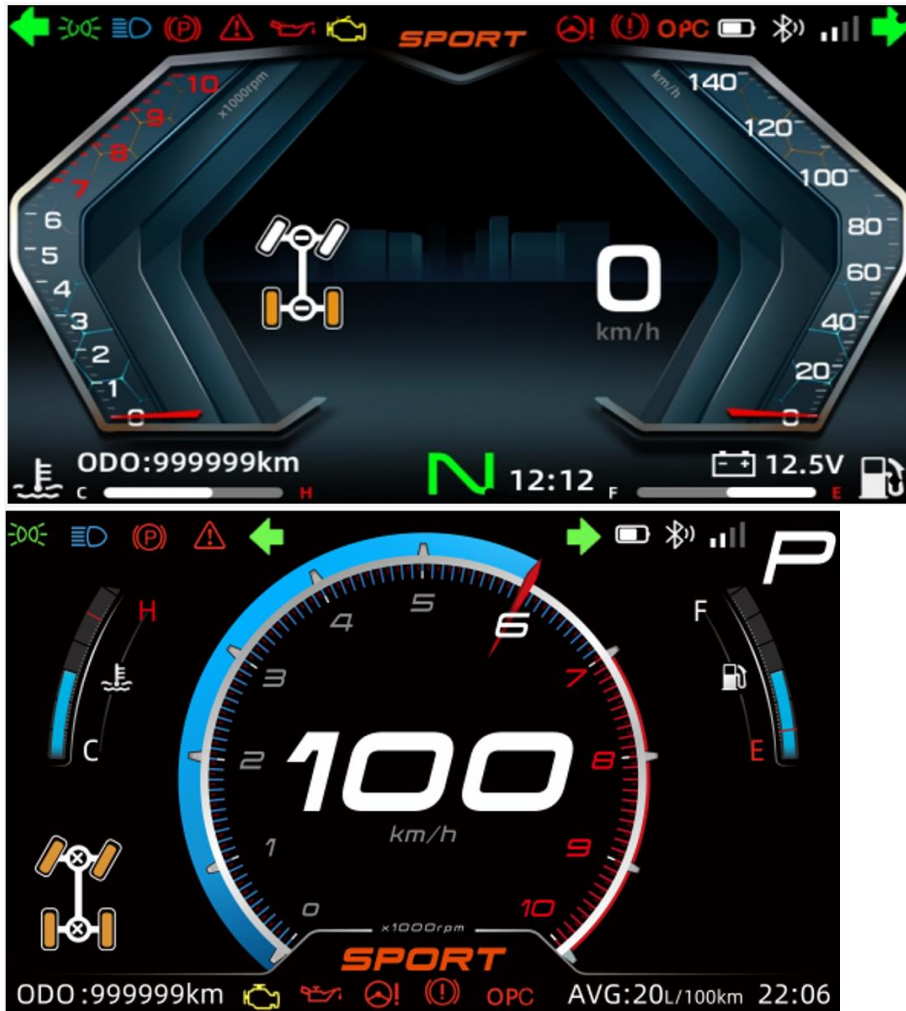

The different models user interface as below:

6WW9-80 user interface:

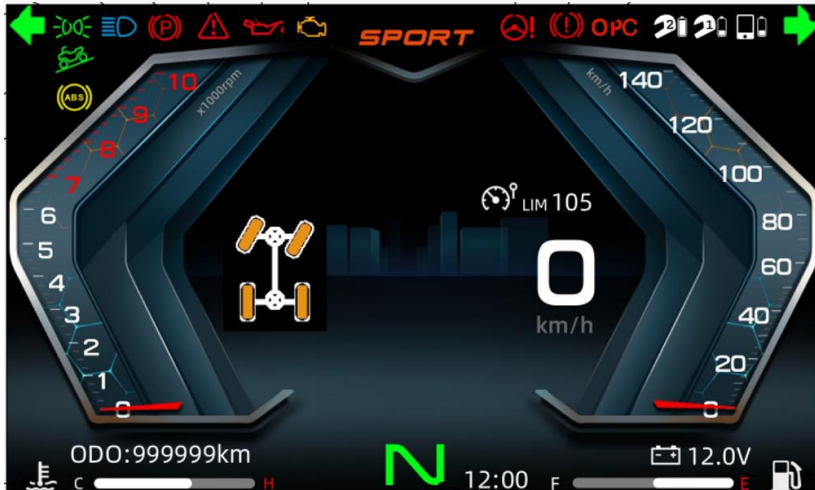

9AWL-80 & 9KY0-10 user interface:

9AWL-28 user interface:

Printed name: Guoxiang Huang *Guoxiang Huang*

Title: System Engineer

Company Name: ZHEJIANG CFMOTO POWER CO.,LTD.

Address: No.116, Wuzhou Road, Yuhang Economic Development Zone, Hangzhou, Zhejiang, China 311100

Phone: 13926278795

E-Mail: huangguoxiang@cfmoto.com

Date: 2026-01-26
