The image is a vertical collage of five screenshots from different mobile applications.
1. The top screenshot is a warning titled "RF warning for Mobile devices:" with text about electromagnetic interference and a "Close" button.
2. The second screenshot is titled "FCC" and contains detailed text about the device's compliance with FCC rules, including a "Close" button.
3. The third screenshot is a payment screen titled "Pay with PayPal" and "Pay with Credit or Debit Card". It includes a "Pay with PayPal" button, a "Pay with Credit or Debit Card" button, and a "Close" button.
4. The fourth screenshot is a package purchase screen titled "Package to be purchased". It shows a "4G CARD DATA (30 DAY)" package for \$19.99, a "4G CARD DATA (30 DAY) MANAGER" button, and a "RECHARGE CARD" button.
5. The bottom screenshot is titled "4G DATA" and shows a "Select Recording date" screen. It features a calendar view with a date selected, a "Select Recording date" button, and a "Close" button.
