

Date: 2025-05-01

FCC ID: 2AA3N-RTR01

FCC E-Label Information:

1. According to FCC rule part 2.925 (d) justification of using the alternative method of e-labeling for the product

The device has limited surface areas for the physical label, and the device is a fitness equipment (spin bike) screen with an integrated electronic display which is qualified for e-labeling.

2. According to KDB 784748 D02 e labeling v02 section 4, for devices with an integrated electronic display, or those devices that only operate in conjunction with another associated product that has an electronic display, below info has been stated in e-label and/or user manual.

A. User Steps to Access Information

Starting from Main or Home Menu:

Step 1 – access “**Settings**”

Step 2 – access “**Device Settings**”

Step 3 – access “**Regulatory labels**”

- B. Products must not require special accessories or supplemental plug-ins (e.g., the installation of a SIM/USIM card) to access the information.

Instructions will be provided with the product at the time of purchase, in the user manual, operating instructions, packaging material, quick guide pamphlet

End user can access to product-related website, a reference (URL) to obtain the website information is provided at the time of purchase in the user manual, operating instructions, packaging material, quick guide pamphlet, etc.

The following instruction will be printed on the end user instructions associated with the product:

NOTICES

To access Regulatory content on your Peloton Screen, navigate to **Settings > Device Settings > Regulatory labels**.
