RE: Short Term Confidentiality Request For PIPER nv FCC ID# 2AA5P-P01A015  
To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, Icontrol Networks requests short-term Confidentiality of following sections of this application for a period of 45 days after grant is issued.

- Internal photos
- User's manual

These documents contain detailed system and equipment descriptions and related information about the product, which Icontrol Networks considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Icontrol Networks feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,
