Subject: FCC Application Product Family Declaration Letter / Model Difference Attestation
FCC ID Number: 2AA9N-CSV3X

To Whom It May Concern:

We, [Levven Electronics Ltd], hereby declare that the product models listed below belong to the same product family and are electrically identical regarding their Radio Frequency (RF) characteristics, circuitry, and PCB layout

Variant Model(s): CSV3W, CSV3LA, CSV3K, CSV3B

The only differences among the variant models are as follows:

- The differences are limited to cosmetic variations, such as enclosure color, which do not affect RF performance or emissions.

CSV3W: W = White, CSV3LA: LA = Light Almond, CSV3K: K = Black, CSV3B: B = Brown

All internal electrical components, schematic designs, PCB layouts, crystal oscillator frequencies, and antenna specifications remain exactly the same across all models.

The intended use of the device is wireless occupancy/vacancy and ambient condition sensing, with local switch control of residential lighting, fans, and wall outlets. The supporting documents are attached to the application.

If you have any questions regarding this request for certification, please feel free to contact me.

Best Regards,

Todd Phelps
Vice President of Engineering
Levven Electronics Ltd
