

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT (Electronic Under Test) device. The device is open, revealing a blue printed circuit board (PCB) with various electronic components, including a large silver battery, a green ribbon cable, and a black antenna. The device is placed on a blue surface next to a black ruler with white markings, indicating its size.
Solder Board-Component View 1	 A photograph showing a close-up view of the solder board-component. The component is a blue PCB with various electronic components, including a large silver battery, a green ribbon cable, and a black antenna. The component is placed on a blue surface next to a black ruler with white markings, indicating its size.
