GEAR4 ONE-YEAR WARRANTY

Disruptive Hong Kong Limited, trading as GEAR4, warrants this product to be free from defects in workmanship and materials at the point of sale. Subject to this product being used in accordance with its instructions for use, the product shall continue to be free from defects, for a period of one (1) year from the date of original purchase. Any damage or defects caused by a failure to follow the instructions which relate to this product or as the result of an accident, abuse, misuse, misapplication, product modification, faulty ancillary equipment, improper voltage or current, lightning or other acts of God, commercial non-home use, normal wear and tear, shipping damage or loss, damage to digital media players or damage caused by the actions of anyone other than Disruptive Hong Kong Limited are expressly excluded from the warranty stated above. Disruptive Hong Kong Limited will, at its sole election, repair or replace any product that proves to be defective in either or both of workmanship or materials and as covered by this warranty. If the product is no longer manufactured or is out of stock at or after the time Disruptive Hong Kong Limited learns of the warranty claim, Disruptive Hong Kong Limited may, at its sole election, replace your product with a similar product. Disruptive Hong Kong Limited's liability is limited to the repair or replacement, of any defective product under warranty and any incidental or consequential damages are expressly excluded to the fullest extent permitted by law. This warranty is not transferable and does not extend to users other than the person who originally purchased the product. Nothing in this manual shall limit or exclude liability of Disruptive Hong Kong Limited for death or personal injury resulting from Disruptive Hong Kong Limited's negligence, for fraud or fraudulent misrepresentation or breach of the terms implied by Section 12 of the Sale of Goods Act 1979. This warranty gives you specific legal rights in addition to the ones afforded you by the laws of your country. This warranty is not intended to operate to limit such legal rights.

WARNING

To reduce the risk of fire or electric shock, do not expose this unit to rain or moisture. The apparatus shall not be exposed to dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on the apparatus.

CAUTION

Use of controls or adjustments of performance or procedures other than those specified may result in hazardous radiation exposure. Batteries (battery pack or batteries installed) shall not be exposed to excessive heat such as sunshine, fire or the like.

UNPACKING AND INSTALLATION

Unpack your unit carefully. We recommend that you save the packaging in case you ever need to store your unit. To avoid damage, never place the unit or its batteries near radiators, in front of heating vents, under direct sunlight or near water.

FOR YOUR SAFETY

- When disconnecting the power supply, pull the plug first. Do not pull the cord by itself.
- Never handle the power plug with wet hands, as this could cause fire or electric shock.
- Refer servicing to qualified personnel only.

- Do not open the housing.
- Do not twist or pinch the power supply cord. If the plug or power supply cord needs to be replaced, ensure that it complies with the manufacturer's recommendation.
- Unplug the unit during lightning storms and when unused for extended periods of time.
- Where the MAINS plug or an appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

DISPOSAL

According to the European WEEE Directive (2002/96/EC) and Battery Directive (2006/66/EC), all electrical and electronic products and batteries must be collected separately by a local collection system. Do not dispose of these items with your normal household waste. Follow local regulations for safe disposal.

The wheeled bin mark indicates that this product should not be disposed with other household waste throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.

FCC RULES

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference and
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

INDUSTRY CANADA

This device complies with Industry Canada licence-exempt RSS standard(s).

Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence.

L'exploitation est autorisée aux deux conditions suivantes :

- (1) l'appareil ne doit pas produire de brouillage, et
- (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
