

The image shows the back of a white, rectangular electronic device. A large, rectangular battery cover is located on the left side, secured by a single screw. The cover has some faint, illegible markings. To the right of the battery cover, there is a small, rectangular label with text. The device has several circular holes: two on the left side, one on the right side, and one at the bottom center. The overall shape is rounded at the corners.

31*23mm

FCC ID: 2AAFASY-C51079W-08

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
