Subject: Request for **Short Term Confidentiality**

**FCC ID: 2AAGMUS60L**

To Whom It May Concern:

In accordance with §0.457(d) and §0.459 of CFR 47, **Sequans Communications S.A.** requests short term confidentiality for the following items

1. External Photographs
2. Internal Photographs
3. User Manual
4. Test Set-up Photographs

until the product will be publicly announced.

**Number of days: 180 days from Grant date**

These items contain detailed system and equipment description and related information about the product which **Sequans Communications S.A.** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **Sequans Communications S.A.** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

We are informed and aware of our obligation that we have to inform the involved TCB in written and in due time if we intend to market the product prior to the above specified confidentiality release date so that the short term confidentiality classification can be reset prior to product launch.
