Limited warranty-QL Stix 3500 Subject to the terms and conditions set forth herein, Navori SA or Navori Inc. ("Navori") provides this Limited Warranty only to the person or entity that originally purchased the product from Navori or its authorized reseller or distributor, and only for products purchased and delivered. Limited Warranty: Navori warrants that this Navori hardware product described below ("Hardware") will be free from material defects in workmanship and materials under normal use from the date of original retail purchase of the product, for the period set forth below ("Warranty Period"), except as otherwise stated herein. Warranty Period is defined as follows: • Hardware: For one (1) year after the original customer/end user date of payment. • Power supplies and cables and other accessories: Ninety (90) days The customer's sole and exclusive remedy and the entire liability of Navori and its suppliers under this Limited Warranty will be, at Navori's option, to repair or replace the defective Hardware during the Warranty Period at no charge to the original owner or to refund a fixed amount of US\$ 40 per product. Any repair or replacement will be rendered by Navori at an Authorized Navori Service Office. The replacement hardware need not be new or have an identical make, model or part. Navori may, at its option, replace the defective Hardware or any part thereof with any reconditioned product that Navori reasonably determines is substantially equivalent (or superior) in all material respects to the defective Hardware. Repaired or replacement hardware will be warranted for the remainder of the original Warranty Period or ninety (90) days, whichever is longer, and is subject to the same limitations and exclusions. All Hardware or part thereof that is replaced by Navori, or for which the purchase price is refunded, shall become the property of Navori upon replacement or refund. Non-Applicability of Warranty: The Limited Warranty provided hereunder of Navori's products will not be applied to and does not cover any refurbished product and any product purchased through the inventory clearance or liquidation sale or other sales in which Navori, the sellers, or the liquidators expressly disclaim their warranty obligation pertaining to the product and in that case, the product is being sold "As-is"	without any warranty whatsoever including, without limitation, the Limited Warranty as described herein, notwithstanding anything stated herein to the contrary. Submitting a Claim: The customer shall return the product to the original purchase point based on its return policy. 1. The customer must connect to its Navori online account and open a support ticket with category=QL Stix selected. As part of the claim, a written description of the Hardware defect with sufficient detail, along with proof of purchase of the product (such as a copy of the dated purchase invoice for the product). 2. The customer will be given a ticket ID Number from Navori Technical Support through the support ticketing system, who will attempt to assist the customer in resolving any suspected defects with the product. 3. If the product is considered defective by Navori, the customer will obtain a Return Material Authorization ("RMA") number. 4. After an RMA number is issued, the defective product must be packaged securely in the original or other suitable shipping package to ensure that it will not be damaged in transit, and the RMA number must be prominently marked on the outside of the package. Do not include any manuals or accessories in the shipping package. Navori will only replace the defective portion of the product and will not ship back any accessories. <u>The customer is responsible for all in-bound shipping charges to Navori.</u> No Cash on Delivery ("COD") is allowed. Products sent COD will either be rejected by Navori or become the property of Navori. Products shall be fully insured by the customer and shipped to Navori Navori may reject or return any product that is not packaged and shipped in strict compliance with the foregoing requirements, or for which an RMA number is not visible from the outside of the package. The product owner agrees to pay Navori's reasonable handling and return shipping charges for any product that is not packaged and shipped in accordance with the foregoing requirements, or that is determined by Navori not to be defective or non conforming. Navori will not be held responsible for any packages that are lost in transit to Navori. The repaired or replaced packages will be shipped to the customer via UPS Ground or any common carrier selected by Navori. Return shipping charges shall be prepaid by Navori if the device is sent to its pristine destination. This device complies with part 15 of the FCC Rules. Operation is subject to the condition that this device does not cause harmful interference (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and,

if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
