

## Declaration Letter For Model Similarity

We 3Dconnexion, The undersigned hereby declare that our product: ( Numpad Pro ), the models : 3DX-600081

(Brand:  **3Dconnexion** ) and models : 3DX-600083, 3DX-600080, 3DX-600082, 3DX-600084, 3DX-600085, 3DX-600086, 3DX-600087, 3DX-600088, 3DX-600089, 3DX-600090, 3DX-600091, 3DX-600092, 3DX-600093, 3DX-600094, 3DX-600095, 3DX-700105 are fully identical in the electrical circuit design, layout, component used, internal wiring and outward appearance, only the model name and band, internet are not the same ,details are as follows:

| Model Name | Serial Model Name                                                                                                                                                                                                   | Product Description or Discrepancy                                                                          |
|------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------|
| 3DX-600081 | 3DX-600080, 3DX-600082,<br>3DX-600083, 3DX-600084,<br>3DX-600085, 3DX-600086,<br>3DX-600087, 3DX-600088,<br>3DX-600089, 3DX-600090,<br>3DX-600091, 3DX-600092,<br>3DX-600093, 3DX-600094,<br>3DX-600095, 3DX-700105 | Except for the language of packaging design and text, all serial models are identical to the primary model. |

Best Regards!
