Solder Board-Component View 13	 A photograph of a green printed circuit board (PCB) populated with various electronic components. A yellow multi-pin connector is visible on the left side. The board is populated with several integrated circuits, resistors, and capacitors. A red component is prominent near the center. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters, with the vertical scale ranging from 0 to 80 mm and the horizontal scale from 0 to 100 mm.
Solder Board-Component View 14	 A photograph of the same green PCB as in View 13, but from a different angle or with different components. A large, white, rectangular component is mounted in the center of the board. The board is placed on the same blue textured surface next to the same black ruler with white markings, showing dimensions in millimeters.
