

Team Name: PRJ3346

Team Description: GEELY PEPS ECU

Engineering Part Description: Chery T15 PEPS MT

Engineering Part Name: b010169_10 F

Engineering Part Released date: Feb 18, 2016

AML Generation Date : Feb 18, 2016

EBOM

Notes:

1. The component manufacturer & ordering code per this document must be respected. However the CEM(contract electronic manufacturer) can modify the order quantity/reel size without Valeo authorization or notification.
2. The Historical Valeo part number is for reference only.The manufacturer allowed can vary from project and is not indicated by Historical part number in any way.
