Solder Board-Component View 4	 A photograph of a small green printed circuit board (PCB) component, identified as a V821 module, resting on a blue surface. A black ruler with white markings is positioned below the component, showing measurements in millimeters (mm). The component has several gold-colored pins and a central black chip with the text 'V821' and 'R4172AA 84F1A' visible.
Antenna View	Bluetooth /WIFI Ant  A photograph of the same green PCB component from a different angle, showing the antenna area. A red box highlights a specific area on the board, and a red line points from a label 'Bluetooth /WIFI Ant' to this area. The component is placed on a blue surface with a black ruler showing millimeter markings.
