To Whom It May Concern:

Viableware (DBA TableSafe) respectfully requests confidentiality of certain materials provided with the submission of the **TS-CS5** under FCC ID: **2AAUJ-C002** in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. This confidentiality request applies to the circuit design, block diagrams, and frequency values contained in this filing and included in the following files:

- 16-3026 TS-CS5 – Theory of Operation.pdf
- 16-3026 TS-CS5 – Block Diagram.pdf
- 16-3026 TS-CS5 – Schematics.pdf

The **TS-CS5** has been developed at considerable effort and expense by Viableware. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Joshua Pederson
Hardware Program Manager
