Redefine the possible

Date : July 22th 2019

FCC/IC : 9450 and 9450c display modification.

Per this letter, I confirm that due to end life of screen part PM070WU2 from PCI used on 9450 and 9450 c products, this screen part has been replaced by the new one AM-800480B5 from PCI.

This new screen part AM-800480B5 from PCI has been tested following to FCC part 15C and none other modifications have been done on the product.

Standards are being updated from RSS Gen Issue 4 to Issue 5 and RSS-210 Issue 8 to issue 9 as one of the modifications.

Dominique CHANUT
Global regulatory Compliance Leader.
