

Getting Started

- Charge NoviConnected Luggage by plugging either end of the included USB-C cable into the luggage's USB-C port and the other end into any USB-C wall charger.
- Download and install Incase Smart App from the App Store.
- Open Incase Smart App and follow on screen prompts to search and add NoviConnected Luggage.
- For troubleshooting, visit <https://www.incase.com>

Technical Specification

- Power Input: USB-C 30W (5V3A, 9V3A, 15V2A)
- USB-C Power Output: 30W max (5V3A, 9V3A, 15V2A)
- USB-A Power Output: 12W max (5V2.4A)
- RF Frequency and Power

Radio Waves Specs		
Radio	Frequency	Max.Output Power
Bluetooth	2402 - 2480MHz	3+/-2.5dBm

- Operating Temperature: 0°C to 45°C
- Storage Temperature: -20°C to 80°C

Included Accessory:

- 1.5m USB-C to USB-C charging cable

CAUTION RISK OF EXPLOSION IF BATTERY IS REPLACED BY AN INCORRECT TYPE. DISPOSE OF USED BATTERIES ACCORDING TO THE INSTRUCTIONS

Hereby, Incase Design Corporation declares that the radio equipment type, NoviConnected 4 Wheel Hubless, is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following internet address: www.incase.com.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions :

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that

This device complies with Industry Canada licence-exempt RSS-247 standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RF Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment.

Cet équipement est conforme aux limites d'exposition aux rayonnements de la IC établies pour un environnement non contrôlé.

Supplier's DECLARATION OF CONFORMITY

Responsible party details

Company name: Incipio, LLC
Address: 6001 Oak Canyon, Irvine CA 92618, California, USA
Contact Person: Sally Namie
Email: sallyn@incipio.com
Phone No.: +1-949-556-3568
Fax No.: +1-949-250-4928

Product details

Product: Connected Travel Roller with Portable USB-C Power Station
Brand name: Incase
Model name: INTR100294
Manufacturer: Incase Design Corporation
Address: 910 S. Broadway 4th Fl. Los Angeles, CA 90015

We hereby declare that the equipment bearing the trade name and model number specified above was tested confirming to the applicable FCC Rules under the most accurate measurement standards possible, and that all the necessary steps have been taken and are in force to assure that production units of the same equipment will continue to comply with the Commission's requirements.

Applied Standards	Report No.:
United States CFR 47 Part 15 Subpart B - Electromagnetic Emissions (Unintentional Radiators)	BL-HK1810347-401

The product complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
