Medicalgorithmics S.A.  
Non Routine Confidentiality Requirement  
FCC ID No.: 2AB2MPECGT-III

Ladies and Gentlemen:

We understand that the internal photos are not routinely held confidential, but may be eligible for confidentiality in certain circumstances. Confidentiality for this information may be granted in the following circumstances:

-Internal photos of a non-consumer device may be held confidential if the device is not accessible to the general public.

Medicalgorithmics S.A. requests that the internal photos to the above referenced application be withheld from the public disclosure in accordance to Section 0.457 and 0.459 of the Commissions C.F.R Rules, following grant of the application.

Medicalgorithmics S.A. PocketECG III which is the subject of this filing is not available for general public to order. This device is used by general practitioners or cardiologists in ambulatory or hospital environments. Product in certain cases is prescribed to patients directly for limited home use when there is a need for extended monitoring that cannot be done in clinic or hospital environment, always under physician instruction and care.

Information regarding internal photos is not released to the public, the device cannot be obtained by the public and any parties with access to this information are required to sign a non-disclosure agreement.

It is with this understanding that we respectfully request the agency to honor our request to maintain internal photos confidential.

Respectfully,

A handwritten signature in blue ink, appearing to read "Przemyslaw Tadla".

Signature
