User Guide

NOTE:

- 1.This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received,including interference that may cause undesired operation.
 - 2.Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
 - 3.This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.
- However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

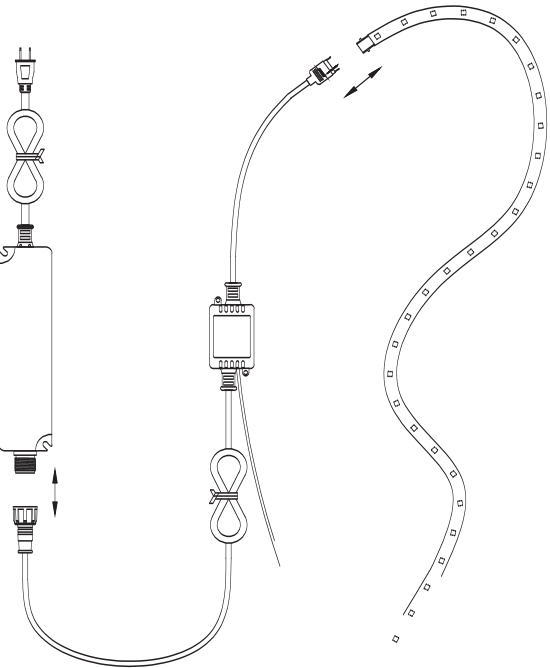

4.This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
(1) This device may not cause interference.
(2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :
1) *L'appareil ne doit pas produire de brouillage;*
2) *L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.*

The following RF exposure warning is only for RF CONTROLLER.
This equipment complies with FCC's and IC's RF radiation exposure limits set forth for an uncontrolled environment. The antenna(s) used for this transmitter must be installed and operated to provide a separation distance of at least 20 cm from all persons and must not be collocated or operating in conjunction with any other antenna or transmitter. Installers must ensure that 20cm separation distance will be maintained between the device and users.

Cet appareil est conforme aux limites d'exposition au rayonnement RF stipulées par la FCC et l'IC pour une utilisation dans un environnement non contrôlé. Les antennes utilisées pour cet émetteur doivent être installées et doivent fonctionner à au moins 20 cm de distance des utilisateurs et ne doivent pas être placées près d'autres antennes ou émetteurs ou fonctionner avec ceux ci. Les installateurs doivent s'assurer qu'une distance de 20 cm sépare l'appareil des utilisateurs.

Connect and install the device completely.

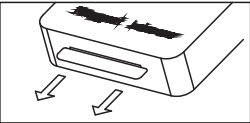

Warning:
Do not power on the device before completed installation.

Use remote control to control device :

Must completed matching the remote control with device before control.

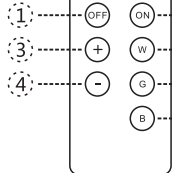

Matching steps

- Step 1: Power on, the light strips will turn on.
- Step 2: Remove the plastic spacer on the battery,and make sure the remote control works properly.

- Step 3: Long press the "ON" button on the remote control, if the light strip flashed three times, the match succeeded.

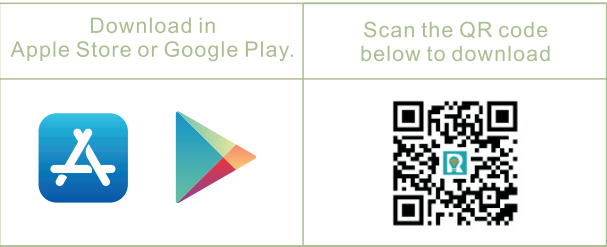

- 1.Turn off the light
- 2.Turn on the light
- 3.Brightness increase
- 4.Brightness decrease
- 5.Switch to white light
- 6.Switch to gold light
- 7.Switch to blue light

Warning :
if need to change remote control, first cut off the power for device, then power on and match with new remote control. Do not match and power off several devices at the same time.

Use App to control :

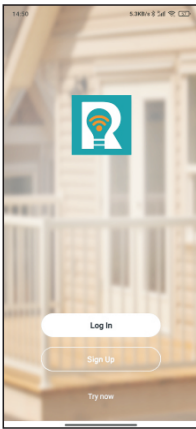

Step 1: install "Regal Ideas" App on phone.

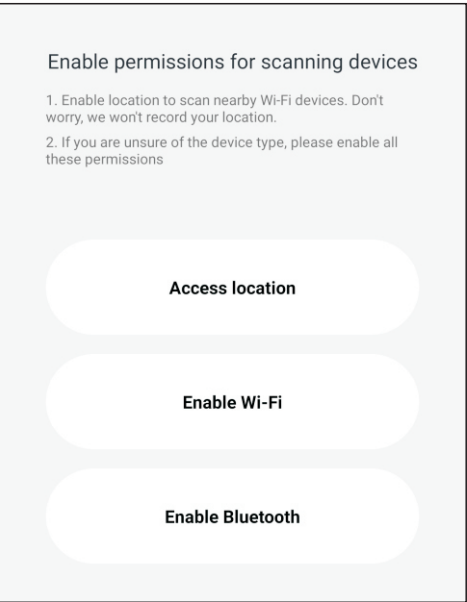

Open the App

Click "Register" to register your account and log in.

Warning :
please allow relevant App access rights
—Bluetooth Access
—Network Access
—Location Access
(Otherwise, you may not be able to connect)

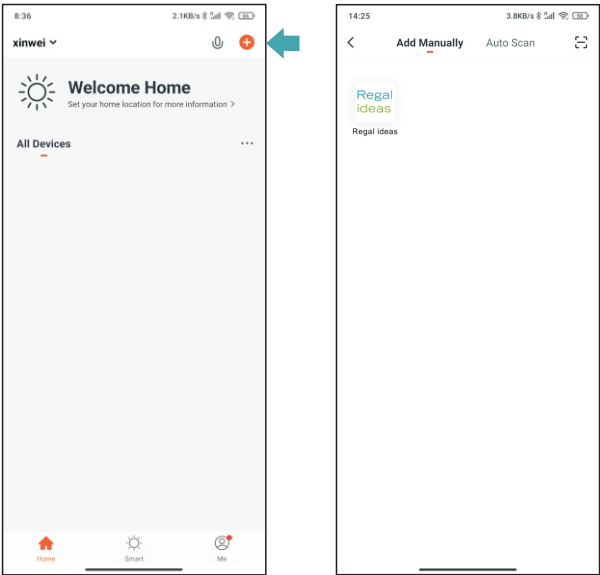

Step 2:
Open WiFi, Bluetooth and location on phone, and connect WiFi.
(Currently, 5G is not available.)

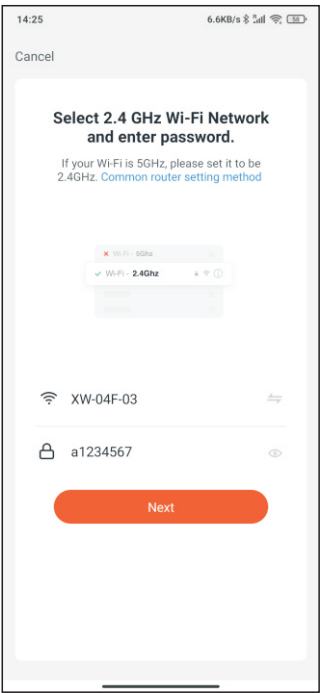

Step 3:

Open "Regal Ideas" App, click the add device icon in the upper right corner of the home screen, and select the corresponding device.
(Follow the prompts to operate.)

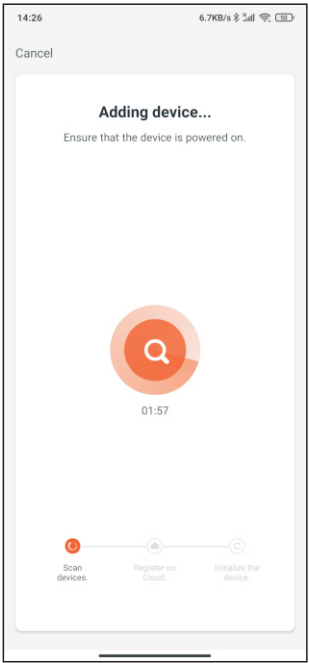

Step 4:

Click and go to WiFi Setting, input WiFi password and go to the next step.

Step 5:

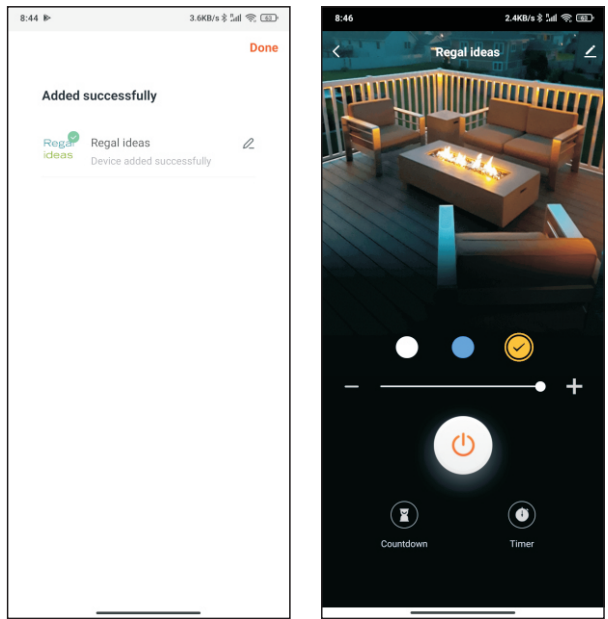

The device is registering the Cloud, hold on 1-2 minutes.

If the connection failed, please repeat the Step 3.

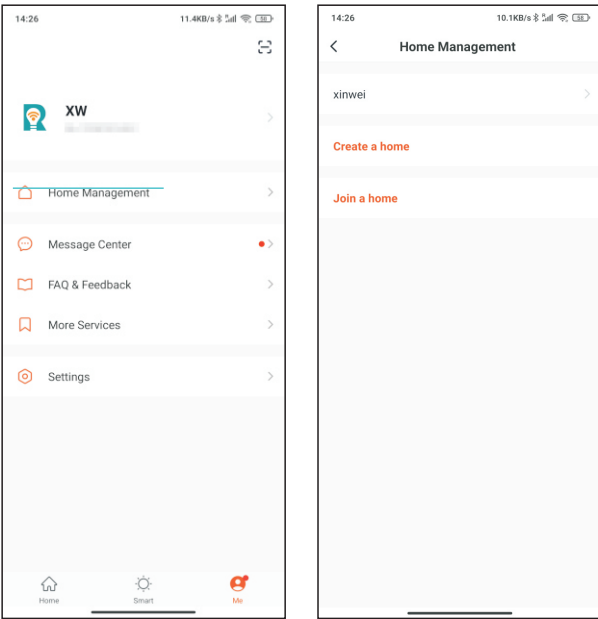

Step 6:

Click the “Completed” button in the upper right corner to customize the device name.
You can control the devices by App now.
