RE FCC Part 80.203(b) Letter
sMRTV100 FCCID 2AB4VSMRTV100

Dear Sir / Madam,

The sMRTV100 product meets the requirement of the FCC rules, Part 80.203(b)

Programming of the sMRTV100 transmit frequencies can only be performed by the manufacturer or by service personnel. It is not possible for the user to alter the transmit frequencies.

Yours Sincerely,

Colin Evans
