Declaration Letter

Date: 2018-1-10

We, Signal Fire Technology Co.,Ltd. hereby declare that product: OPTICAL FIBER FUSION SPLICER, multi-listing model number: AI-7 is(are) electrically identical to test model number: AI-8 (such as layout of PCB, schematics, board layout, and internal structures etc.).

We declare that the products above are electrically identical, only difference in model number and color.

We guarantee all information above-mentioned is true, and notice that we'll bear all the consequences caused by any false information or concealing

Note: The definition of identical should be "electrically identical". A device will be considered to be electrically identical if no changes are made to the device's schematics, board layout, component layout, chip sets, resistors and all other electrical aspects of the device.

Sincerely,

Client's Signature:
