NOTICE:
• Clean the battery contacts and those of the device prior to installation.
• Remove the battery when not using the product for an extended period.
• Remove a spent or discharged battery from the product and dispose/recycle in compliance with all applicable laws.

IMPORTANT INFORMATION REQUIRED BY THE FCC
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this devjce may not cause harmful interference; and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
• Reorient or relocate the receiving antenna.
• Increase the separation between the equipment and receiver.
• Consult the dealer or an experienced radio/TV technician for help.

NOTIC: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
