

FCC CLASS B NOTICE

LE5 rev 2

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Important: Changes or modifications to this product not authorized by VIEVU® could void the electromagnetic compatibility (EMC) and wireless compliance and negate your authority to operate the product. This product has demonstrated EMC compliance under conditions that include the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices. This device is on file with the FCC and can be found under the Display Grant section of,

www.fcc.gov/oet/ea/fccid after searching FCC ID: 2ABBNLE5

FCC Radiation Exposure Statement

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

The antennas used for this transmitter must be installed to provide a separation distance of at least 0.5 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter.

LIMITED WARRANTY

Product Warranty. Company warrants to purchaser that the Products purchased here under shall be free from defects in materials and workmanship and shall conform in all material respect to the specifications for a period of ninety (90) days from the date of delivery thereof, provided the Product in question has been stored and used in accordance with ordinary industry practices and conditions. The use of non-Company branded or approved accessories or replacement parts may result in damage not covered by warranty. Company does not warrant that the operation of the products will be uninterrupted or error free.

Remedies. In the event that a Product does not comply with the product warranty set out above and such non-conforming Product is returned to Company within the warranty period by Purchaser freight prepaid, Company will repair or replace such non-conforming Product at no additional charge to Purchaser; the repaired or replaced Product will be returned to Purchaser, freight prepaid.

Disclaimer of Warranties. The foregoing express warranties are limited to company and are not transferable and are in lieu of any other warranty by Company with respect to Products furnished hereunder. Company grants no other warranty, either express or implied, including without limitation, warranties or merchantability or fitness for a particular purpose.

Limitation of Liability. Company shall in no event be liable for any indirect, incidental, special or consequential damages arising out of or relating to the sale or use of its products, whether or not Company has advance notice of the possibility of such damages. If company breaches any provision of this agreement, purchaser's sole and exclusive maximum liability, whether based in contract, tort or otherwise, shall not in any event exceed the contract price for the particular products.

Video Recovery Disclaimer: Purchaser is responsible for maintaining all evidence and videos taken with Company products. Purchaser should download all videos from Company products before returning to Company for repair or replacement. Purchaser shall indemnify Company for any evidence or videos that cannot be recovered from products.

Caution: Risk of explosion or fire if battery is disassembled, punctured, cut, crushed, short-circuited, incinerated, or exposed to water, fire, or high temperatures. Properly dispose of used batteries in accordance with local regulations.
