- do not touch the contacts with sharp or metal objects.
- to clean, use slightly damp, lint-free cloth and do not use harsh cleaners or solvents.

Disposal and recycling information

You must dispose of Seal One® 8300pro properly according to local laws and regula-

tions. Because Seal One® 8300pro contains electronic components and a battery, Seal One® 8300pro must be disposed of separately from household waste. When Seal One® 8300pro reaches its end of life, contact local authorities to learn about disposal and recycling options, or simply return it to Seal One. The battery will be removed and recycled in an environmentally friendly manner.

European Union—electronics and battery disposal information

This symbol means that according to local laws and regulations your product and its battery should be recycled separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities for the recycling of electronic equipment. The improper disposal of waste electronic equipment from the consumer may be subject to fines. The separate collection and recycling of your product and its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

EC-Declaration of Conformity

Hereby Seal One AG declares that this equipment is in compliance with EC the essential requirements and other relevant provisions of Directive 2004/108/EC.

The CE mark guarantees the fulfillment of the directives of the European Union.

FCC compliance statement

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

Important: Changes or modifications to this product not authorized by Seal One could void the electromagnetic compatibility (EMC)

and wireless compliance and negate your authority to operate the product. This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.

Seal One hardware product limited warranty

Seal One warrants to the original purchaser that the Seal One hardware product shall be free from defects in material and workmanship for the period of time, identified in the product package an/or in the user documentation, from the date of purchase. This information is also available on our website at www.seal-one.com/support. Except where prohibited by applicable law, this warranty is nontransferable and is limited to the original purchaser. This warranty gives specific legal rights and may also be have other rights that vary under local laws.

Seal One's entire liability and exclusive remedy for any breach of warranty shall be, at Seal One's option, (1) to repair or replace the hardware, or (2) to refund the price paid, provided that the hardware is returned to the point of purchase or such a place as Seal One may direct with a copy of the sales receipt or dated itemized receipt. Shipping and handling charges may apply, except where prohibited by applicable law. Any replacement hardware will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer or for any additional period of time that may be applicable in the specific jurisdiction.

The warranty does not cover problems or damages from: (1) accident, abuse, misapplication, or any unauthorized repair, modification or disassembly (2) improper operation or maintenance, usage not in accordance with product instructions or connection to improper voltage supply. Seal One AG disclaims any liability for damage which may arise due to improper use. Seal One® 8300pro must not be opened. Any changes to the device are strictly prohibited and will void the warranty.

Limitation of liability

SEAL ONE SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING BUT NOT LIMITED TO LOSS OF PROFIT; REVENUE OR DATA (WHETHER DIRECT OR INDIRECT) OR COMMERCIAL LOSS FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY

ON THE PRODUCT EVEN IF SEAL ONE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES:

Duration of implied warranties

EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW; ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OF THE HARDWARE PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THE APPLICABLE LIMITED WARRANTY PERIOD FOR THE PRODUCT. Additional rights. Some states do not allow limitations on how long an implied warranty lasts, or allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply. This warranty gives specific legal rights, and maybe there also other rights that vary from State to State or by country or other jurisdiction.

National Statutory Rights

Consumers have legal rights under applicable national legislation governing the sale of consumer goods. Such rights are not affected by the warranties in this Limited Warranty.

No other warranties

No Seal One dealer, agent, or employee is authorized to make any modification, extension, or addition to this warranty.

Warranty Periods

Please note, that the European Union, any warranty period less than two years shall be

increased to two years.
