Product Specifications

Specifications vary by model configuration.

System	CPU	RK3576S Quad core cortex A72+Quad core cortex A53
	RAM	2GB/4GB
Specifications	Internal memory	32GB/64GB
	Operation system	Android
	Panel Size	10.95"
	Resolution	1920*1200
	Touch screen	10-Point,In cell,Capacitive touch screen
Interface	Aspect Ratio	16:10
	Wi-Fi	IEEE 802.11a/b/g/n/ac/ax BT 5.4
	TF Slot	1×TF Slot ,Max support to 128GB
Other	Earphone	1×3.5mm Earphone
	USB-A	1×USB 3.0 host
	USB-A	1×USB for serial (TTL Level), Optional USB Host
	RJ45	1×Ethernet interface
	Type-C	1×Type-C (Only supports OTG function)
	Power jack	DC 12V power input
	Button	Power
	Camera	5.0MP
	Speaker	4Ω*2W*2
	Microphone	Standard Quad Microphone , Support noise reduction and echo cancellation
	POE	Optional. (Support IEEE802.3at)
	G-sensor	Support 90 degrees
	Storage Temperature	-20 C---60 C
	Working Temperature	0 C---40 C 20--80%RH

5	TF Slot	10	DC in power supply port

Installation Instructions

Wall hanging mode 1

1

Plug the power cable into port of device

2

Install the wall mount kit on wall and screw in (KA4.0*30mm)

3

Hang up and align the wall mount kit with its hole

4

Finally, fasten the unit and the wall mount together from the bottom using screws. (KM3.0*6mm)

5

Plug into power and the device will be started up.

Wall hanging mode 2

1

First align the small wall mount kit(L-shaped) with the large wall mount kit at the screw hole and fasten the screw.(KM3.0*5mm)

2

Screw the wall plug into the wall, then align the hole of the (L-shaped) small wall mount kit and then fasten in the screw.(KA4.0*30mm)

3

Hang up and align the wall mount kit with its hole

4

Finally, use screws to secure the machine to the wall mount from the bottom, then plug in the power supply and the device will start. (KM3.0*6mm)

Wall hanging mode 3

(Compatible with desktop stand)

1

First align the small wall mount kit with the large wall mount kit at the screw hole and fasten the screw.(KM3.0*5mm)

2

Place the assembled wall mounting plate on the bracket, align and secure the unit to the wall mounting plate with screws from the back, and tighten them.(PM4.0*5mm)

3

Place the unit on the wall mount and align the mounting holes.

4

Finally, fasten the unit and the wall mount together from the bottom using screws. (KM3.0*6mm)

FCC Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions

1. This device may not cause harmful interference

2. This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device,pursuant to Part 15 of the FCC Rules. These limits are de signed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected

Consult the dealer or an experienced radio/TV technician for help.

RF warning statement:

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

This device complies with parts of the FCC rules. Operation is subject to the following two conditions:

This device will not cause harmful interference;

This device must accept any interference received, including interference that may cause undesired operation

This product complies with the essential requirements of European safety regulations and has passed the product safety conformity assessment procedure. It also has a manufacturer's declaration of conformity to ensure that every product delivered to the customer is safe.

This symbol on the product or in the instructions means that your electrical and electronic equipment should be disposed of at the end of its life separately from your household waste. There are separate collection systems for recycling in your country. For more information, please contact the local authority or your retailer where you purchased the product.
