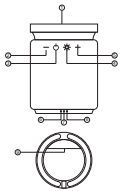
USER MANUAL

Overview



1. Vol-/Previous Track
2. Play/Pause/ON/OFF
3. Light button
4. Vol +/Next Track
5. Charging LED Indicator
6. Bluetooth LED Indicator
7. TYPE-C charging port

Specifications:

1. Model: SL525
2. Item：25600
3. Input: DC 5V / 2A
4. Battery capacity: 3.7V/1800mAh 6.66Wh
5. Speaker output power:3W

Operation Instructions

1. **Power On:** Hold the " ⏻ " button for 3 seconds to turn on the speaker. The indicator light will turn blue and you will hear a tone.

2. **Pairing:** Once speaker is turned on, using your mobile device, search for Bluetooth devices and select Bluetooth ID '25600'. It will pair automatically.
3. **Power Off:** Hold the " ⏻ " button for more than 3 seconds to turn off the speaker.
4. **Play/Pause:** Tap the " ⏻ " button once to pause/play music

MADE IN CHINA

5. **Next track/Vol+:** Tap the " ✚ " button once to switch to next track. Hold the " ✚ " for 3 seconds to increase music volume.
6. **Previous Track/Vol-:** Tap the " ━ "button once to return to previous track. Hold the "▬" for 3 seconds to decrease music volume.
7. **Light:** Tap the " ✲ " button to cycle between 3 brightness settings: "High," "Low," and "Off."
8. **Charging Speaker:** Use the USB cable included to connect the speaker to an adaptor. The LED indicator will display a solid red light. When the speaker is fully charged, the red light will turn off.

Attention:

1. Prolonged or repeated exposure to sounds in excess of 85dBA can cause hearing loss.
2. To prevent damage to the speaker, do not drop or bump. Avoid exposure to water, high temperature and high humidity.
3. Keep away from children.
4. Music volume decreasing, distorting, slowing or silencing may indicate low power level. The battery will need to charge.
5. Please do not disassemble the speaker.
6. When not in use the device will turn off automatically.

FCC STATEMENT

This device complies with part 15 of the FCC Rules.

Operationis subject to the following two conditions:
(1)This device may not cause harmful interference, and
(2)This device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Warning:

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

—Reorient or relocate the receiving antenna.
—Increase the separation between the equipment and receiver
—Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
—Consult the dealer or an experienced radio/TV technician for help

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
