Re: Request for Confidential Treatment

FCC ID No. 2ABO8-1210
Model: PW98VM

To whom it may concern:

By this letter Cutino Limited Liability Company and its affiliates ("Cutino") hereby request confidential treatment under the authority of Sections 0.457 and 0.459 of the FCC rules (47 CFR §§ 0.457, 0.459) for the below listed Exhibits filed in connection with the Equipment Authorization we reference above.

A) Long Term Confidentiality
Please hold the following exhibits confidential indefinitely:

- Block Diagram
- Schematics
- WiFi RF Operation Description

These documents reveal detailed technical and design information that Cutino does not make available without proper signed confidentiality agreements in place to restrict disclosure and protect the confidential nature of the information. This information is considered to be trade secret by Cutino. Disclosure of this information even after we put the device on the market would harm Cutino and give competitors an unfair competitive advantage.

B) Short Term Confidentiality

As permitted under the FCC's Public Notice of June 15, 2004 (DA 04-1705) and to comply with the marketing regulations under 47 CFR Section 2.803 and importation rules under 47 CFR Section 2.1204, we request the following information be kept confidential for 180 days from the date of the grant of the Equipment Authorization:

- External Photos
- Internal photos
- FCC RF Setup photo
- SAR Setup photo
- Users Guide

These documents reveal detailed technical and design information that Cutino does not make available prior to the commercial launch of the product without proper signed confidentiality agreements in place to restrict disclosure and protect the confidential nature of the information. This information is considered to be trade secret by Cutino. Disclosure of this information prior to commercial launch would cause harm to Cutino would give competitors an unfair competitive advantage.

We thank you in advance for your understanding and assistance with granting Cutino's request.

Sincerely,

Chris Jones
