Re: Request for confidentiality

Applicant: Direct Communication Solutions

FCC ID: **2ABPW-DCS559-R**

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Direct Communication Solutions to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Detailed Block diagrams

Rationale for request for confidentiality:

Direct Communication Solutions' partner: Shenzhen Jadpod Communication Company Limited has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by our partner.

If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "David Scowby", is written over a horizontal line. Below the signature, the name "David Scowby" and title "VP, Product Development" are printed in a sans-serif font.

David Scowby
VP, Product Development
