Confidentiality Request

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, the Applicant hereby requests confidential treatment for documents filed in connection with the above-referenced equipment authorization.

Long-Term Confidentiality

The Applicant requests that the following information accompanying this Application be withheld from public viewing indefinitely:

- Schematics
- Block Diagram
- Operational Description
- Software Operational Description

The above materials contain trade secrets and proprietary information not customarily released to the public even after commercial release of the device. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

Short-Term Confidentiality

The Applicant requests that the following information accompanying this Application be withheld from public viewing for 180 days after the date the grant of equipment authorization is issued in order to ensure sensitive business information remains confidential until the actual marketing of the device:

- External photos
- Test Setup photos
