Precautions for Using the Product

1. This device may be affected by the weather, such as rain and clouds, and the surrounding environment.
2. Depending on your environment and how you use it, battery consumption may increase.
3. Do not use this device for any other purpose, such as children's toys.
4. If the person's eye is exposed directly to laser irradiation or exposed to the sun or intense light through this device, their eyesight may be impaired.
5. The lens is coated, so care must be taken when cleaning. In order to prevent damage to the lens, do not touch the lens directly with your fingers or rough material.
6. Do not keep this device in hot places, such as exposed to direct sunlight in closed vehicles on hot days or with heaters.
7. Liquids or other substances may damage the device. Please do not use it in an environment where water can come into contact with it, and wipe off any foreign substances immediately.
8. Do not randomly modify this device by dropping, throwing, putting in foreign substances, disassembling, incineration, etc.
9. Be careful not to open the pouch and drop the product due to strong movement.
10. Natural cosmetic deformation and degradation of performance due to everyday use and aging are not warranted.
11. Due to the nature of the unibody optical device, repairing this device for parts replacement or any services that require disassembling the device is not recommended and will void the warranty.
12. If you do not use this device for a long time, please charge it once a month to prevent complete discharge.
13. Reset: Please press and hold the power button for more than 15 seconds.

Safety Precautions for Using the Laser

1. The laser emitted from this product is invisible.
It is safe to operate by your intention according to the contents of this manual.
2. Warning: It is dangerous to look at the laser with other optical instrument, please do not look at the laser through the telescope. If you handle the product arbitrarily without following this manual, you may be injured by the laser.
3. Information about laser Wavelength : 905nm, Pulse Width : 23nsec, Energy : 0.18μJ or less, Divergence Angle : 1.9mrad
4. Class 1M laser product in accordance with IEC 60825-1 : 2014

Certification Mark

Settings > Regulatory Info > Check Certification Marks

1) FCC Compliance Statement

This device complies with part 15 of the FCC rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Precautions for Using the Product

2) FCC Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to correct the interference by one of the following measures:

- (1) Reorient or relocate the receiving antenna.
- (2) Increase the separation between the equipment and receiver.
- (3) Connect the equipment into an outlet on a circuit different from which the receiver is connected.
- (4) Consult the dealer or an experienced radio/TV technician for help.

The page features decorative elements consisting of L-shaped corner lines in the four corners and a circle with a crosshair centered in each of the four quadrants. The top-center circle is partially cut off by the top edge of the page.

3) FCC Caution

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

Precautions for Using the Product

4) Industry Canada Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Warranty Conditions

Warranty as follows

1. This device was produced through strict quality control and thorough inspection, and may be exchanged or reimbursed in accordance with the Fair Trade Commission Notice Consumer Dispute Resolution Criteria.
2. If any change problem to defect occurs in normal use, the product will be repaired free of charge within the warranty period returns for inaccuracies will be at customers.
3. In case of product abnormality caused by user's carelessness even if it is within the free warranty period, or in case that the warranty period has expired, it can be repaired on a charge.
4. For after-sales service and damage compensation, please present this warranty and proof of purchase (receipt).
This device complies with Part 15 of the FCC Rules. Operation is subject to The following two conditions: (1) This device may not cause harmful Interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Product Name	VOICE CADDIE SL mini
Serial No.	
Purchase Date	
Dealer	
Dealer Contact	
Buyer's Name and Contact	
Warranty Period	One Year After Initial Purchase (Components- 6 Months After Initial Purchase)
Refund and Exchange Period	Within 14 Days of Initial Product Purchase in Unused Condition and with all Peripherals intact

Specifications and After-Sales Service

Product	VOICE CADDIE SL mini
Key Features	External Display (Course View / Approach View, Real Green Undulation), 6x Magnification, Dual Display, Pin Tracer™, V-Algorithm™, Ball to Pin, Slope & Non-Slope
Size/Weight	86.9mm X 33mm X 59.3mm / 130g
Wireless Specifications	Bluetooth : 2402–2480 MHz
Measuring Range	5 to 800 yards (1 yard = 0.91m)
Margin of Error	Within 1 yard
Device Name	VOICE CADDIE SL mini
Battery	Lithium rechargeable battery (USB-C)
Manufactured by/in	VC Inc. / China
Imported/Sold by	VC Inc.
Company	VC Inc.
