

Class II Permissive Change Letter

Date: November 20, 2023

This is to request a Class II permissive change for FCC ID: **2ABTU-AX210NG**, originally granted on **11/14/2023**.

The major changes filed under this application is:

Change #1: The certified module (FCC ID: 2ABTU-AX210NG; model: AX210NGW) is integrated into a new platform (Product: TABLET PC, Brand: RuggON, Model: PX501).

Except for the above differences, the hardware design is identical with the original grant. Should you have any enquires or comments, please have my best attention.

Sincerely,

Jay Wu/Manager

RuggON Corporation
